GRANT DEVELOPMENT PLAN

NOTE: Being specific, detail your plans on the development of this license site over a one, two or three-year period. Include materials used or any construction needed to carry out this proposed project. Keeping in mind, Chapter 130, Section 65 of the Massachusetts General Laws, specify the specie or species of shellfish, the amounts and the sizes intended to be introduced on the license site.

LICENSE DEVELOPMENT PLAN

NOTE: Include maps, charts or plans (attaching additional pages if necessary). Also, the Town of Westport may request additional information if needed.
