## REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen respectfully submits the following report for 1979:

The Board organized on March 13, 1979 with Charles A. Costa as the Chairman, Damase A. Giguere as Clerk, and Richard P. Desjardins the other member.

1979 presented the Town with a variety of unusual administrative problems. It was the year of the Governor's tax cap, the year of revaluation and classification, and the year of the "Pope's Day". It was a year in which we negotiated all five of the Towns' union contracts, and dealt with a large number of grievances and assorted labor problems. The effect on these processes of the tax cap on one hand and double digit inflation on the other was tremendous. It was a year in which the Board accepted with regret the resignations of our Town Accountant, Mr. Russell Shaw, and our Chief of Police, Mr. Joseph Arruda Jr., along with an unusually high number of resignations from our volunteer boards. And it was the year which saw the appearance of dollar per gallon gasoline.

The year saw as well some unusual governmental problems. Under very sad circumstances, this Board, together with the Board of Health, appointed a new member to that Board to fill the vacancy caused by the sudden death of Mr. Louis Fernandes, and then a second new member to fill the vacancy caused by the resignation of Mr. Randall Wood. The annual town meeting was adjourned until late May because of the tax cap, and an additional three "Specials" were held. We auctioned off two schoolhouses no longer in use, with the able assistance of Mr. Bradford Sherman who volunteered to be our auctioneer. Again we extend our sincere thanks to him, since these sales added \$67,500 to the Treasury. And 1979 gave us our weekly increase letter from Gulf Oil on the price of gasoline.

Our more normal areas of business for the year included a cleaning-up of some of the local automobile dealership lots, which project is getting good cooperation from the licensee, and we look for future improvements in this area. The repair garage and body shop license by-law has been implemented, and we hope that this will further assist in this regard. It has taken many hours from our staff, the Inspectors, Fire and Police departments, and the Town Counsel, but we anticipate that the program will run more smoothly as it goes along. Enforcement of local and state laws, particularly licenses, is hampered by time shortages in all of these areas.

We are still looking for a viable solution to the silting problems of the Harbor. Dredging is an immediate but short-term answer. What is needed is a long-term, effective solution to ensure that the harbor remains open and navigable for the fisherman and for the recreational users. Suggestions along these lines would be welcome, particularly from those dealing daily with the situation in whatever capacity.

We would like to extend our thanks to all of our many appointees, and to our staff, for their efforts throughout this year. Their contribution has helped us a great deal in performing out duties for the Town.

1980 is the beginning of a new decade, one which will undoubtedly see a great many changes in Westport. The Town is expanding, and becoming increasingly subjected to state and federal regulations and mandates. It is up to all of us, through our own individual efforts and those of our elected and appointed officials, to ensure that we meet these challenges well, and in a manner consonant with what we, as a Town, want Westport to become.

### PERSONNEL CLASSIFICATION & COMPENSATION PLANS

#### SECTION 1. GENERAL PROVISIONS

##### A. Authorization

Persuant to the authority contained in Sections 108A and 108C of Chapter 41 of the General Laws of the Commonwealth of Massachusetts, there shall be established plans which may be amended from time to time by vote of the Town at a Town Meeting:

1. Classifying positions in the service of the Town, other than those filled by popular election, those under the direction and control of the School Committee, and certain positions for which the compensation is on a fee basis or the incumbents of which render professional, intermittent or casual service and which do not appear in the Schedules appended, and those positions covered by contracts between recognized Unions and the Town, into groups and classes doing substantially similar work or having substantially similar responsibilities.
2. Authorizing a system of compensating positions in the Classification Plan;
3. Providing for the administration of said Classification Plan; and Establishing employee selection standards, work policies, and benefits for employees occupying positions under the classification plan.

## **B. Definitions**

As used in this By-Law, the following words and phrases shall have the following meanings, unless a different construction is clearly required by the context or by the laws of the Commonwealth of Massachusetts:

"Administrative Authority": the elected or appointed official or board having jurisdiction over a function or activity;

"Annual Rate Employee": A part-time employee who is paid a specific annual sum by the Town for work performed without reference to the number of hours worked; or a full-time employee who is not exempt from MGLC Chapter 151, Section 1A.

"Board": The Personnel Board;

"Class": A group of positions in the Town service sufficiently similar in respect to duties and responsibilities so that the same descriptive title may be used to designate each position allocated to the class, that the same or substantially the same qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity;

"Classification": Class title appearing in Schedules of these By-Laws, plus Class specifications which are to be on file with the Board of Selectmen, and which are incorporated by reference herein;

"Continuous Employment": Uninterrupted employment (either full or part-time) except for required military service and for authorized vacation or other leave of absence;

"Department": Any department, board, committee, commission or other agency of the Town subject to these By-Laws;

"Employee": An employee of the Town occupying a position in the Classification;

"Entrance Rate": The rate applicable to the first twelve months of a new employee's employment;

"Full-time Employee": An employee retained in a full-time employment;

"Full-time Employee": Employment for not less than seven hours per day for five days per week, fifty-two weeks per annum, minus legal holidays, authorized vacation leave, sick leave and other leave of absence;

"Group" or "Occupation Group": A group of classes designated by occupation as appearing in Schedules appended;

"Hourly Employee": Employee paid by the number of hours actually worked in a week including overtime at 1½ times the applicable rate for hours worked in excess of the normal work week as defined;

"Maximum Rate": The rate given to a position;

"Minimum Rate": The entry rate as authorized by the Board;

"Part-time Employee": An employee retained in part-time employment;

"Part-time Employment": Employment for less than fulltime weekly employment but for fifty-two weeks per year;

"Permanent Position": A full-time or part-time position in the Town service which has required or is likely to require the services of an incumbent in continuous employment for a period of fifty-two calendar weeks per annum;

"Position": An office or post of employment in the Town service with duties and responsibilities calling for the full-time, part-time or seasonal employment of one person in the performance and exercise thereof;

"Probationary Status": Status held by an employee in the first six months of employment;

Promotion": A change from a position of lower class and compensation grade to a position with greater responsibilities in a higher class and compensation grade;

"Rate": A sum of money designated in the Schedules appended as compensation for personal services on an annual, monthly, weekly, hourly, daily or other basis;

"Regular Employee": An employee retained in a permanent position which requires the services of an incumbent in continuous employment for a period of fifty-two calendar weeks for a minimum of twenty (20) hours per week;

"Salary Employee": For full time regular employees exempt from the state's 40 hour work week by statute, paid annual sum authorized by Town Meeting without regard to the number of hours worked.

"Seasonal Employee": An employee retained in seasonal employment;

"Seasonal Employment": Employment for a period of less than fifty-two weeks per year;

"Sick Leave": Leave granted with no loss of pay for the illness of or injury to regular employee;

"Temporary Employee": An employee retained in a temporary position or in a permanent position in probationary or acting status;

"Temporary Position": A position in the Town service which requires, or is likely to require, the services of an incumbent for a period of less than fifty-two calendar weeks;

"Town": The Town of Westport, Massachusetts;

### **C. Personnel Policy**

It is the declared personnel policy of the Town of Westport that:

1. Employment in the town government shall be based on merit and fitness, free of personal and political considerations, free of discrimination against the physically handicapped;
2. Just and equitable incentive and conditions of employment shall be established and maintained to promote efficiency and economy in the operation of town government;
3. Positions having similar duties and responsibilities shall be classified and compensated on a uniform basis;
4. Appointments, promotions and other actions requiring the application of merit shall be based on qualifications, performance and evaluation;
5. High standards of morale shall be maintained by the fair and equitable administration of this policy and by every consideration of the rights and interests of all employees consistent with the best interests of the public and of the Town;
6. Continuity of employment with the Town shall be subject to good behavior, the satisfactory performance of work, the necessity for the performance of work and the availability of appropriated funds.

### **D. Personnel Board**

1. There shall be a Personnel Board consisting of three unpaid members who shall be residents of the Town and who shall be responsible for the administration of the classification and compensation plans.

The Board, except as otherwise provided, shall be appointed by the Board of Selectmen and shall not include an employee or elected official of the Town. One member of the Board shall be a member of the Finance Committee who shall be designated by the Finance Committee.

2. All future appointments to the Board, except the member appointed by the Finance Committee, will be for three years. The member from the Finance Committee shall be appointed annually.

3. If a member, other than the member appointed by the Finance Committee resigns or his office becomes vacant by his removal from the Town, or other cause, the Board of Selectmen shall appoint his successor for the balance of the unexpired term of such member.

4. The Board may employ assistance and incur expenses as it deems necessary subject to the appropriation of funds therefor.

5. Forthwith after its appointment and annually, the Board shall meet and organize by electing a chairman and appointing a secretary. A majority of the Board shall constitute a quorum for the transaction of business. A majority vote of the Board shall determine the action the Board must take in all matters upon which it is authorized or required to pass under this by-law. In the event that a bare quorum of the Board only is present, there must be a unanimous vote.

## **SECTION 2. ADMINISTRATION AND AMENDMENT**

### **A. Administration**

1. The Personnel Board, referred to herein as the Board, shall be responsible for the administration of the classification and compensation plans to these by-laws. The Board shall establish such procedures as it deems necessary for the proper administration of said plans and by-laws. The Board may employ assistance and incur expenses as deemed necessary subject to the appropriation of funds therefor.

2. Adequate personnel records of all employees occupying positions subject to the classification and compensation plans shall be maintained by the and held in the custody of the Board.

3. The Board, from time to time of its own motion, shall investigate the work features and rates of salaries or wages of any and or all positions subject to the provisions of these by-laws. Such reviews shall be made at such intervals as determined to be necessary and to the extent to which the Board considers practicable.

4. The Board may maintain written job descriptions of positions in the classification plan, each consisting of a statement describing the essential nature of the work and the characteristics thereof solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying or in any other way affecting the power of any administrative body as otherwise existing, to appoint, to assign duties to, to direct and control the work of any employees under the jurisdiction of such authority.

5. Upon the recommendation of a department head, supported by evidence in writing of special reasons and/or exceptional circumstances satisfactory to the Board, the Board may authorize an entrance rate higher than the minimum rate for such a position.

### **B. Amendment of the Plans**

1. The Classification Plan and/or other provisions of this by-law may be amended by vote of the Town at a town meeting in the same manner as other by-laws of the Town may be amended. However, no amendment shall be considered or voted on by the Town Meeting unless the proposed amendment has first been considered by the Board and the Finance Committee.

2. The Board shall report its recommendations on any proposed amendments to the Finance Committee and shall make its recommendations with regard to any amendment at the Town Meeting at which such amendment is considered.

3. The Board by its own motion may propose an amendment to the plans or other provisions of this by-law based on its findings resulting from its investigations.

## **SECTION 3. CLASSIFICATION PLAN**

A. All positions in the Town service, except those excluded in Section 1, Paragraph A, are hereby classified by titles appearing in Schedule A.

B. Whenever the duties of an existing position are so changed that, in effect, a new position is created, and upon presentation of substantiating data satisfactory to the Board, the Board shall allocate such changed position to its appropriate class.

C. No position may be reclassified until the Board shall have determined that such reclassification is consistent with the classification plan.

D. All department heads shall prior to hiring any new employees ascertain that there are existing classified position openings. If there are no classified position openings the department heads shall notify the Board and the procedures to establish new position (s) shall be followed.

E. No new permanent position shall be created until the Board, upon presentation of substantiating data satisfactory to the Board, shall have classified such position and assigned such new position its title, employee status, entrance rate of pay and assignment of benefits if applicable, etc. No such new position shall be filled until funded by a Town Meeting.

F. The Board may authorize the establishment of temporary, interim positions which will be valid only until the next Town Meeting qualified to act on the necessary by-law amendments and/or funding. The establishment of such interim positions shall be contingent upon the Town Accountant or the Finance Committee's having certified that the required funds are available. All such temporary or interim positions should be created on the basis of unforeseen or emergency conditions.

#### SECTION 4. PERSONNEL BOARD PROCEDURES

##### A. Rules, Regulations and Procedures

1. The Personnel Board shall prescribe rules and regulations and establish procedures for the standardization of employee conditions of employment and benefits. In addition, the Personnel Board shall set, in June of each year, a schedule of pay rates for all hourly employees covered by this by-law, said rates to be compiled from the annual appropriations by Town Meeting, the records of the Finance Committee, and consultation with all department heads, requesting rate changes from the prior fiscal year. The Personnel Board shall adopt rules and regulations pertaining to employees conditions of employment and benefits in the following manner:

The proposed rule, regulation, procedure, benefit or changes in any of the foregoing or any other similar matter to be considered shall be posted on the Town Hall Bulletin Board for not less than three working days prior to its formal consideration by the Personnel Board.

If the Personnel Board deems it advisable, a copy of the foregoing shall be given to any interested Department Head, Employee or Board.

The Personnel Board shall post the date, time and place the foregoing matter will be formally considered by the Board.

The Personnel Board shall, at the meeting that such matter is considered, allow any person the opportunity of commenting, questioning or voicing an opinion upon such matter under consideration.

The decision of the Personnel Board shall be by majority vote of such Personnel Board.

Any matter, rule, regulation or procedure that is adopted by the Personnel Board shall be posted on the Town Hall Bulletin Board for one week and shall be given in writing to any employee deemed affected thereby.

All rules, regulations and procedures adopted by the Personnel Board and all decisions interpreting such rules, regulations and procedures as well as all minutes of any meetings, shall be construed as public records and maintain in the Selectmen's Office in a book kept for such purpose.

##### B. Employee Rights

1. Any employee may submit any proposal, rule, regulation or matter involving employee benefits, working conditions or conditions of employment, in writing, to the Personnel Board whereupon the Personnel Board shall take all necessary steps to formally consider the matter within thirty (30) days of such submission. Any employee may appeal any deci-

sion of the Personnel Board by filing a Notice of Appeal with the said Personnel Board within five (5) working days of the posting of such decision or the receipt of notification of such decision in those cases where the decision is not posted.

2. Whenever the Personnel Board receives a Notice of Appeal, it shall schedule a hearing upon such matter. Notice of Hearing shall be posted upon the Town Hall Bulletin Board a minimum of three (3) working days prior to the hearing and a copy of such notice shall be given to the complainant, the department head (s) and any other person deemed affected thereby. The Personnel Board shall issue a written decision within fifteen (15) days of the hearing.

3. Any department head may file a Notice of Appeal in accordance with this section.

#### **C. Grievances**

Whenever an employee covered by this By-Law has a grievance, the employee shall take up the grievance or dispute in writing with the employee's immediate department head within three (3) working days of the date of the grievance or his knowledge of its occurrence. The department head shall attempt to adjust the matter and shall respond to the employee within three (3) working days.

If the grievance still is not adjusted, it shall be presented to the Personnel Board in writing within five (5) working days after the response of the Department Head is due. The Personnel Board shall then schedule a hearing in accordance with the provisions of Section 4B (2) of this Article.

The employee shall have the right to appeal the decision of the Personnel Board within five (5) days to the Board of Selectmen in writing. The decision of the Board of Selectmen shall be final.

#### **D. Powers of Investigation**

The Personnel Board shall have the power to inquire into the working conditions, benefits or conditions of employment of any employee and in furtherance thereof may obtain any Town of public records or information pertaining to any employees employed by the Town.

#### **E. Conflicts Clause**

No rule, regulation or provision of the Personnel Board or this By-Law, shall be construed to conflict with the provisions of any Labor Contract and if a conflict arises the provisions of the labor contract shall prevail.

### **SECTION 5. COMPENSATION PLAN**

#### **A. General Provisions**

1. The compensation plan shall consist of the schedule as set annually by the Board which provide salaries or wages for individual positions as shown. No employee shall be paid a greater rate than that shown in the schedules.

2. No administrative authority shall fix the compensation of any employee in a position in the classification plan except in accordance with the compensation plan.

3. No person shall be paid as an employee in any position subject to the provisions of the classification plan under any title other than those appearing in the classification and compensation plans.

## SECTION 6. FRINGE BENEFITS AND WORKING CONDITIONS

Prusuant to the authority contained in Section 108C of Chapter 41 of the General Laws, certain fringe benefits as set forth in subsequent sections of this by-law are hereby granted to regular employees occupying positions in the Classification Plan. The fringe benefits are considered to be a part of the Compensation Plan and the monetary value thereof shall be extended to eligible employees in addition to rates set forth in the appropriate salary or wage schedule.

### A. Leave

Full-time and/or regular employees shall receive and/or be paid for authorized Leave as follows:

1. **Agency Fee Employee:** Non-union employees working in positions covered by a Union Contract shall receive the benefits provided by such contract.
2. **Union Contract Employees:** Union employees shall receive the benefits as provided in the contract covering their position.

3. **Holidays:** Paid holidays for all full-time or regular employees covered by this By-Law shall be as follows:

New Year's Day  
Martin Luther King  
George Washington's Birthday  
Patriot's Day  
Memorial Day  
Independence Day

Labor Day  
Columbus Day  
Veteran's Day  
Thanksgiving Day  
Christmas Day

In addition, said employees shall also receive a half-day before Christmas Day, before New Year's Day and half-day on Good Friday, if so declared by the Board of Selectmen.

Those regular employees working twenty (20) or more hours per week shall be paid on a pro-rata basis.

4. **Vacations:** Vacations for all full-time or regular employees shall be granted as follows:

#### AMOUNT OF TIME WORKED

Less than 6 months  
6 months to one year  
1 year to 5 years  
5 years to 12 years  
more than 12 years

#### WORKING DAYS VACATION

0  
5 days  
10 days  
15 days  
20 days

Vacations must be taken during the fiscal year earned, unless the employer makes it impossible for the employee to do so. The Personnel Board must authorize any such accumulation prior to the end of the fiscal year in question. Any vacation not used shall be forfeited. Regular employees working at least twenty hours per week shall receive their pro-rata vacation.

### 5. Sick Leave

All full-time or regular hourly employees shall accumulate sick leave at the rate of one and one half (1½) days per month credited on the first day of each month. Employees may use such leave at any time after they have worked the equivalent of one month on a full-time basis. Sick leave may be accumulated up to a maximum of one hundred thirty (130) days. Upon termination of employment, for whatever reason, the Town will pay the employee for twenty-five (25) percent of such accumulated leave.

Salary and annual employees shall receive sick leave as required for actual illness or injury, without loss of pay. There shall be no accumulation provision for such employees. Any sick leave granted to an annual or salaried employee in excess of 20 working days in any given fiscal year shall be subject to approval by the relevant Department Head and the Personnel Board.

#### **6. Personal Days**

All full-time or regular **hourly** employees, except those in probationary status, shall receive two personal days per year, which days shall not be charged to sick leave or vacation.

#### **7. Bereavement Leave**

All full-time or regular **hourly** employees shall be entitled to bereavement leave up to a maximum of three working days, not to exceed the day of funeral, for the death of a parent, spouse, child, sibling, stepchild or stepparent living in the employee's household or an in-law in the same degree, for the purpose of making arrangements for, and attendance at the funeral.

#### **B. General**

1. Employees, except those hired under this by-law after January 1st—permanent position, who work less than six months (6) in any given fiscal year shall be entitled to no benefits under this By-Law.

2. All regular employees entitled to the above benefits, who work a minimum of twenty (20) hours per week but less than full time, shall receive benefits based upon the ratio of the actual number of hours worked by the employee per week divided by the hours which would be required were the position to be full-time.

3. The Personnel Board may authorize in its discretion a leave of absence without pay for good cause shown up to maximum of six months, upon condition that such leave be recommended by the head of the department concerned.

SECTIONS 1112 through 2123 of the existing Personnel By-Law are made a part hereof and are incorporated herein by reference thereto.

## FLEA MARKET

SECTION I — PURPOSE: It is the intent of this By-Law to provide a mechanism for allowing, subject to reasonable and appropriate controls, certain types of activities having to do with the sale of second hand articles within the community while at the same time preserving the residential atmosphere of the various neighborhoods in Town.

It is further the intent of this By-Law to enhance traffic and pedestrian safety through the provision of appropriate restrictions on the placing of signs and advertising devices on utility poles, traffic signs, street signs and public trees.

It is also the intent of this By-Law to assure that activities relating to the sale of second hand articles by persons or groups customarily engaged in such activities as a business shall be limited to those locations within Town which the Town, through its Zoning By-Laws, has set aside for the conduct of businesses.

SECTION II — DEFINITIONS: For the purposes of this By-Law the following term shall have and include the following respective meaning.

Flea Market: A temporary market where old, damaged (seconds) or used articles are sold.

## SECTION III — REQUIREMENTS

### FLEA MARKETS

#### A. Business and Industrial Zoning Districts

1. Flea markets may be held in a business or Industrial District pursuant to a permit granted by the Board of Selectmen as authorized. No material for sale shall be displayed on any public or private way. Permits may be issued subject to conditions deemed by the Board of Selectmen to be necessary or advisable.
2. No sign or advertising device shall be placed within any street right-of-way, including free standing signs, or any sign affixed to street signs, traffic and regulatory or warning signs or any utility poles within such right-of-way. No such sign or advertising device shall be placed on any public tree.
3. Any authorized signs may be displayed on the premises for not more than five (5) days.

#### B. All other Zoning Districts

1. Flea Markets may be held in any other Zoning District pursuant to a permit granted by the Board of Selectmen subject to conditions hereinafter set forth.
  - a. Flea Market is under the sponsorship of a Westport, Massachusetts based non-profit organization or corporation whose purpose is to provide service or charitable work. No fee shall be required for permits granted under this section.
  - b. The number of Flea Markets shall be limited to one per calendar year per organization or corporation.
  - c. No person customarily engaged in the business of conducting Flea Markets shall participate in any Flea Market within any Zoning District except Business and Industrial Districts unless the sponsoring organization or corporation has received a special permit from the Zoning Board of Appeal. No material for sale shall be displayed on any public or private way. Permits may be issued subject to conditions deemed by the Board of Selectmen to be necessary or advisable.
  - d. No sign or advertising device shall be placed within any street right of way, in-

cluding free standing signs, or any sign affixed to street signs, traffic regulatory or warning signs or any utility poles within such right of way. No such sign or advertising device shall be placed on any public tree.

e. Any authorized signs may be displayed on the premises for not more than five (5) days.

f. Such sale shall not exceed three (3) days duration.

#### SECTION IV — PROCEDURE

1. Any person, organization or corporation intending to conduct a Flea Market, or similar activity by a different name shall make application for a permit to conduct such activity at the Board of Selectmen office no less than ten (10) calendar days prior to the date of the proposed activity.

2. If an application is favorably acted upon by the Board of Selectmen or its designated representative, a permit shall be issued to the person, organization or corporation to conduct such activity and said permit shall be available at all times on the site during the term of the sale.

#### SECTION V — FEES:

1. The fee for permits granted pursuant to this By-Law shall be according to the following schedule:

Flea Market \$100.00 plus \$1.00 for each planned stall

#### SECTION VI — ENFORCEMENT

1. The Police Dept. shall be responsible for enforcement of this By-Law and upon request of a police officer, any person conducting any activity governed by these rules and regulations, shall make available for inspection by the police officer the permit granted by the Board of Selectmen.

2. A person found by a police officer not to be in compliance with the By-Law as heretofore set forth shall upon such police officer's order, cease such activity immediately or comply with the directive of the police officer to bring into conformity that portion of the activity which is deemed to be in violation of these By-Laws.

3. Signs or advertising devices in violation of this By-Law found to be affixed to any utility pole, street sign, traffic warning or regulatory signs within the right-of-way of any street shall be removed by any police officer observing same.

4. Whoever violates any provisions of this By-Law shall forfeit and pay for each offense a fine not exceeding \$200.00

#### SECTION VII — GENERAL

1. Nothing contained in this By-Law shall require the Board of Selectmen to issue a permit if, in its opinion, the public interest would be adversely affected by so doing.

2. The Board of Selectmen may waive strict compliance with any of the above By-Laws if after its examination of the facts in a particular case such waiver can be granted without derogating from the intent and purpose of this By-Law.

ARTICLE 10 VOTED: (Unanimously) to raise the sum of \$5,500.00 by taxation to be used for the purpose of obtaining computer service to do the billing for the Assessor's office.

ARTICLE 11. VOTED: (Unanimously) to transfer \$500.00 from line 12 (Assessor's Expense) to line 11 (Assessor's Clerical).

Town Clerk  
Westport, Massachusetts

Dear Mrs. Manchester

This letter is notice of my resignation of Chief of Police for the Town of Westport effective February 2, 1980.

Sincerely,  
Joseph Arruda Jr.  
Chief of Police

Board of Selectmen  
Westport, Mass.

Gentlemen:

I hereby tender my resignation as Town Accountant, Town of Westport, to be effective January 14, 1980 or at such time at which my successor has qualified.

Personal considerations make this move necessary at this time. However, there may be other ways by which I may serve the Town at some future time.

Many thanks to the members of your board for the opportunity for service which I have enjoyed and for your cooperation.

Yours truly,  
Russell E. Shaw

## REPORT OF THE MODERATOR FOR THE YEAR 1979

During the past year I presided at all sessions of the Annual Town Meeting, and all Special Town Meetings, with the exception of the one held in December. Due to illness, I was unable to preside at that meeting; however, the Town Clerk, Althea Manchester, acted very ably as a substitute.

The same illness which kept me from presiding at the Special Town Meeting in December, also prevented me from attending the Annual Massachusetts Moderators Conference. It is the first time in six years that I missed this event.

During the past year I made the following appointments to the Finance Board:

### All for three year terms:

Reappointed Mrs. Barbara Anne Carreiro, of Forge Road.

Reappointed Mr. Borden C. Tripp, of Cross Road

Reappointed Mr. Richard Baressi, of Briggs Road

Respectfully submitted,  
Bradford W. Sherman, Moderator  
Town of Westport, Mass.

## GREATER FALL RIVER VOCATIONAL SCHOOL DISTRICT

### ANNUAL REPORT

January 1, 1979 — December 31, 1979

Our Annual Report again reflects another successful year for the Greater Fall River Vocational School District Committee in their continuing efforts to provide quality vocational education for youth and adults in the regional school district.

As of October 1, 1979 we had an enrollment of 991 students in the high school program; 84 students in the technical institute program; 63 students in the practical nursing program; 6 students in the nurse assistant program; and 479 students in the adult evening program for a grand total of 1,623 students in our day and evening programs.

In addition 347 adults completed an eight-hour Food Handlers' course sponsored in conjunction with the Fall River Board of Health which is compulsory for all people working in food dispensing establishments; 24 students completed a 12-week training program as nurse assistants; and 40 adults completed a 60-hour training program as Homemaker-Home Health Aides.

All students who completed the nurse assistant program were placed and some were accepted in our practical nursing program.

In 1979 there were 203 graduates from the high school programs. Of this number 160 were placed in jobs directly related to the trade they studied in school; 16 went into the armed services and 17 went on to higher education.

This placement record is a tribute to the quality of training our students receive, and we commend the faculty for their efforts and ask for their continued support.

Our cooperative work program, whereby seniors who meet certain qualifications are allowed to go out and work in industry during their two week shop cycle, was very successful. Approximately 142 seniors participated in this program which serves a dual purpose. It allows us to find out if our training is really meeting the needs of industry, and it helps us in our placement as most of the students are hired by the industry where they work on their co-op job. In addition all students on this program are paid.

The Guidance Department played a vital role in the admissions process for the entering class of 1983. A new audio-slide presentation on admissions was developed. The program was shown at a workshop for counselors, principals and teachers from our feeder schools. Approximately 600 applications were processed and evaluated. Of this number 300 students were accepted.

A professional workshop for teachers was arranged through the joint efforts of our guidance staff and the Southeastern Massachusetts University Educational Resource Center entitled "Non-Sexist Approaches to Career Planning — Vocational Opportunities for Everyone". This workshop helped the faculty to understand the requirements of Title IX and Chapter 622, the sex discrimination laws.

A Summer Exploratory Program for students entering grade eight in the sending schools was attended by 150 students, 132 boys and 18 girls. The purpose of the program was to help the students to make more informed decisions relative to the selection of appropriate vocational programs. The students attended shop classes from 8:00 to 11:45 a.m. five days a week for a total of six weeks. Each week students would be assigned on a rotational basis to one of the following shop programs: basic electronics, culinary arts, graphic arts, machine shop, mechanical and architectural drafting, and metal fabrication and welding.

The guidance department arranged for the students who lived in one of the three towns in the region to be picked up at the middle school and transported on one of the Diman School buses. Bus routes were arranged to pick up city residents who lived beyond a reasonable walking distance from the school.

During the last day of the program students were given a questionnaire soliciting input about the program. In most cases the students felt that the program was valuable and should be offered again next summer.

Our Annual Open House and Trade Fair was held on March 10th and 11th with more than 3,000 people attending. More than 650 projects planned, designed and constructed by students in the twelve departments of the school were judged by members of the school's advisory committee.

The judges based their selections on the quality of the workmanship, accuracy as to measurements that were specified in the plans or drawings, and the scope of the projects.

During the Open House members of the teaching staff, school administrators and school committee members were available to meet with prospective students interested in our post-high school and high school programs of instruction. Exhibits were arranged in the academic classrooms and shops to enable the visitors to learn more about the programs of instruction, equipment and facilities available at Diman.

We continue to be indebted to and grateful for the contributions of the Advisory Board in the effective management of the school. They act as judges at the Trade Fair, meet with the faculty to make recommendations relative to curriculum, equipment and safety; and in many cases aid in the placement of graduates.

A new Eclipse C350 computer was put into operation this year. The computer was purchased to update our post secondary data processing program of instruction. Included with the purchase was a new AOS system which required all of the existing programs to be converted from the Univac system.

The conversions could not be implemented as was planned because many time constraints were placed upon the staff. The original computer was leased to the school and the lease expired in early March. The programs that were converted to the new system would not operate which caused a backlog.

The new computer experienced hardware problems which would put it out of service. As a result the work that was done by the original computer was being backlogged.

The school committee hired a data processing systems manager to be responsible for the data processing work. The expertise of a systems manager became evident during the transition from the original computer to the highly sophisticated computer currently in use.

Our students participated in the Region III Science Fair with the following results. Paul Letourneau placed first and won the Texas Instrument Award for the Best-Engineering Project; Robert Francoeur placed second and Peter Michno placed third; and Edward Michno placed third and won the St. Anne's Credit Union Award for the best computer project.

These students were selected to compete in the Massachusetts State Science Fair held at M.I.T. with Paul Letourneau receiving a third place award in state-wide competition.

In the state-wide Plymouth Trouble Shooting Contest open to all schools in Massachusetts who offer automotive training, four Diman students, David Costa, Ronald Menard, Michael Pleiss and Thomas Darcy passed the written tests. This was unique for the field contest. To be eligible for the field contest, a school must have a minimum of two contestants from the school pass the written portion of the contest.

As part of a Broadcasting class assignment, all students wrote a broadcasting speech for the Veterans of Foreign Wars contest. Christopher Julius captured first place in the city competition for which he has been awarded a \$50 savings bond, a trophy and a certificate. This is the third consecutive year that a Diman senior has placed in the local competition.

Nineteen new members were accepted into the Diman chapter of the National Honor Society this year. This past year members assembled the copy and layout for a literary magazine. Members of the chapter helped to staff the "Shamrocks Against Dystrophy" booth at the Swansea Mall.

The Outstanding Vocational Student Award was presented to Christopher L. Julius at an Advisory Committee Meeting on May 31, 1979. Chris was a member of the Machine-Architectural Drafting Department.

The first runner-up was Edward K. Michno, Basic Electronics, and the second runner-up was Rene A. LaChapelle, Electrical Shop.

The following students were selected the outstanding student in their shop: Paul R. Jennings, Auto Body; Ronald L. Menard, Auto Mechanics; Kenneth Cabral, Culinary Arts; Lisa M. Isabel, Graphic Arts; David M. Lemieux, Machine Shop; James A. Kingman, Metal Fabrication and Welding; Dennis P. Moniz, House and Mill Carpentry; Paul Costa, Painting and Decorating; and Edgardo J. Cabral, Plumbing.

Students are selected based on a composite score which includes, shop grades, academic grades and a personal interview.

Ashworth Brass Foundry, Inc. of Somerset once again donated a \$1,000 scholarship to a senior who was continuing his education in college in a program directly related to his studies at Diman. Two seniors shared the award this year: Edward Lark, Painting and Decorating and Edward Michno, Basic Electronics.

The Alro Oxygen Company donated a \$500 scholarship for a senior who would be attending college in a program directly related to his studies at Diman. The recipient of this award was David Belliveau, Machine-Architectural Drafting Department.

The eighth house built by the House and Mill Carpentry Department was turned over to the owners after a public open house held on June 3, 1979. The house constructed on Kenyon Street in Fall River was built for the Baptist Temple Church and will be used as the parsonage for the minister.

The house was an eight room garrison with an attached two stall garage. All cabinets were made in the school shop; the plumbing and heating installed by students of the plumbing shop; all electrical work and fixture hanging by electrical students; and the painting and wallpapering by students in the painting and decorating shop.

In addition to the housebuilding project many of the school's shop departments were involved in the renovating of the Bluffs Drop-In Center in Swansea.

Diman Regional, due to the nature of vocational education and its continuing emphasis on practical work, has been able to provide services to the Fall River Police Department, Fall River School Department, Fall River Public Works Department, Jobs for Fall River, Fall River Industrial Park, Westport Fire Department, Mass. Dental Assistants Society, Boys Club, YMCA, Cancer Society and many other civic and charitable organizations.

Our facilities continue to be used by the Little Theatre, Cancer Society, Union-Truesdale Hospital, St. Anne's Hospital, Christian School, Power Squadron, Heart Society, Licensed Practical Nurse Association, Power Engineers, Massachusetts Board of Registration in

Electricity, Baptist Temple Church, and various automotive suppliers for workshops to upgrade auto body-mechanics. Our football field was used for Durfee High Varsity football games.

Under Public Law 94-482 funds for the developing of a new Audio Slide Presentation on Vocational Training Opportunities at Diman were approved. A twenty-two minute slide presentation with an accompanying narrative has been developed. The new slide presentation has been designed to make prospective female applicants aware of vocational training opportunities and job placement opportunities in areas formerly dominated by males. When showing the presentation to adult groups, I hope that they will be informed about the vocational training opportunities available at Diman and job placement opportunities for women in local businesses and industries.

The cost to the communities for the operation of the school was reduced because the actual revenue received as part of the 50% reimbursement for vocational education was \$558,033 above the amount received in the prior year. The amount of regional school aid received (\$484,297) enabled the school committee to eliminate the third and fourth quarterly payments from the City of Fall River and the Towns of Somerset, Swansea and Westport.

The School Committee and Administration have been studying the physical facilities of the school and the possibility of a building addition. During the preliminary stages of this study, enrollment projections have been made; new programs have been considered; job opportunities analyzed; rules and regulations affecting the handicapped and equal opportunities for girls considered; the number of applicants we have had to reject because of space constraints; overcrowding in some of the existing shop areas; and resource rooms for students with special needs.

The year 1979 has been a transition year with the retirement of John P. Harrington on January 31st; the interim appointment of the Assistant Director, Stanley J. Remiesiewicz as Acting Superintendent-Director; and the appointment of Thomas J. McGarr, Superintendent-Director effective March 5, 1979.

Mr. Harrington was involved in the original planning of the developing and chartering of the Greater Fall River Vocational School District. The selection of an architect, site plans, general contractor and eventual construction of the excellent facilities on Stonehaven Road were made possible by his leadership.

He was responsible for the recommending of all personnel, equipment, programs and operating procedures to the school committee. His successes can best be measured by the excellent image the school's graduates share in all trades and occupations.

It is my fondest goal that I will be able to lead the future growth and development of the school as he has done before me. To achieve this goal I will need the cooperation and support of all members of our existing staff, members of the advisory committee, parents, students and School Committee.

Respectfully submitted,  
Thomas J. McGarr  
Superintendent-Director

### **Evaluation of Agency Sub Committee:**

Dr. Stewart Kirkaldy, Mary Hart R.N., Edith Briggs R.N., Eileen Beaulieu R.N., Florence Lawton and Beatrice Potter.

During the year, the Professional Advisory Committee reviewed all Nursing policies and Nursing procedures and revised where indicated. Medical policies were reviewed by the Medical Advisor, Dr. Kirkaldy, Mary Hart R.N., Administrator, Edith Briggs R.N., and Eileen Beaulieu R.N. Several policies were revised. Reports of clinical record reviews were reviewed by the committee for summary of services rendered. The Evaluation of Agency Sub Committee's Report was also reviewed for goals and to determine under use or over use of programs provided.

Utilization Review Sub Committee held quarterly meeting as mandated by Medicare and Medicaid Programs for a review of clinical records. Ten percent of the case load were reviewed at each meeting to determine whether services are effective, efficient, adequate or appropriate. Clinical records were also reviewed by the Medicare Representative during the month of August.

The Evaluation of Agency Sub Committee met twice during the year to evaluate all programs provided by the Nursing Agency, Nursing services, clerical services, the contracted services for all Therapy services and the Home Health Aide Services. Evaluation mechanism determines the need of continuation of each program service, discontinuation of some services that prove ineffective and the need for new programs. Goals were set up for the forth coming year.

The Nursing Agency was surveyed on April 19th, April 20th and July 27, 1979. Notification of certification was received on August 9, 1979.

My thanks and appreciation are extended to all committee members for the kind, thoughtful assistance and co-operation during the year.

The following is a report of Nursing Services rendered during the year.

The Community Staff Nurses assisted the Westport Lion's Club with the Eye Mobile Unit during the month of October, 1979. Vision and Hearing Tests were conducted on the unit for the children in grades VIII to V at St. George's on 10/11/79 and 10/12/79. Volunteers Mrs. Mary Caesar R.N. and Mrs. Claire Lavoie assisted the nurses on both days as well as several Lion's Club members. A total of 154 children were tested.

### SCHOOL HEALTH PROGRAM (PAROCHIAL)

During the year, a Minimum Health Program was carried out at St. George's School. Hearing and Vision Tests, Immunization and Tuberculin Clinics were provided. Health records were brought up to date.

Any children failing the tests were referred to the parents for further correction and treatment.

### SENIOR AIDE PROGRAM

During the month of October, Senior Aide Services were added to the Nursing Program through the courtesy of Bristol County Home Care for the Elderly, Inc. Mrs. Violet Morse, Senior Aide, assists with the various clinics, does outreach work and friendly visiting which is sorely needed for the elderly and handicapped in the community. With outreach she has made many referrals for fuel assistance and weatherization, making it available to many of our elderly and handicapped. As a friendly visitor, she has made many referrals to SSI, meal delivery, Council on Aging Office and delivers library books.

### WELL CHILD CONFERENCES

Twenty-three Well Child Conferences were held during the year in the Town Hall Basement with Dr. Stewart Kirkaldy in attendance assisted by the Community Nurses. Registration at the clinics was taken care of by Florence Lawton and Beatrice Potter. Volunteer assistance in the dressing room was provided by Ruth Hancock, Florence Lawton, Ruth Howland and Norma Sylvia.

My thanks and appreciation are extended to all the volunteers for their faithful and dependable assistance and co-operation with all the Baby Clinics during the past year.

### IN SERVICE PROGRAMS

During the past year, the Nurses attended In-service Programs on Decubiti care provided by Pro Derm, Help for Children Program, Breath Sounds provided by the American Heart

Association, The Law and the Nursing Expanding Role. An In-service was also held in the Town Hall on Breath Sounds. Consultations were also held on Physio-Therapy, Occupational Therapy and Speech Therapy. Several Case Studies and record Reviewed by Mrs. Berube R.N., B.S.N. with the Staff Nurses. Mrs. Berube also made a home visit with each Nurse during the year.

#### Goals for the coming year:

1. To continue to develop and expand a good Health Program, to care for the sick in the home, provide immunization for prevention of disease, to continue to develop and expand our Maternal and Child Health Program.
2. To develop and expand the blood pressure and counselling clinics.
3. To co-ordinate and work with the Hospice Service in the area.
4. To set up and develop On Call Services for evenings and week ends.
5. Provide our Westport Residents with a brochure from the Nursing Department giving information on the services available, hours of service and the various programs provided by the Westport Home Health Agency.

The Nursing Department wishes to extend their thanks and appreciation to the Board of Health Members, various organizations and all volunteers who assisted with programs during the year.

Respectfully submitted,  
Mary E. Hart, R.N.  
Nursing Administrator

## REPORT OF THE HIGHWAY SURVEYOR

To the People of Westport:

I would like to give a general report of the condition and accomplishments of the Highway Department for the past year.

The Department consists of 18 full-time employees and the Highway Surveyor. Their classifications are as follows: Highway Surveyor, one Foreman, one Clerk, Five Equipment Operators, eleven Truckdriver-Laborers. This staff has not increased in size since 1971. At the present time we have two C.E.T.A. employees.

We have approximately 135 miles of roads to maintain, plow, etc., as well as work for other departments, such as snow plowing of school yards, maintaining parking lots for beach areas, digging graves for the cemetery department, hauling and supplying fill for the land fill site, occasional repairs on town landings and town wharf, change oil and grease cruiser cars for the Police Department. Maintaining emergency road for Conservation Commission at their beach property. Install drainage for emergency problems as they arise.

During 1979 the Highway Department resurfaced the following road with a cold mix overlay. Mouse Mill Road from Route 177 North to the dead end. Reed Road from the Head Firestation to Reed Road, Forge Road from Route #6 to Highland Avenue, Division Road from Cross Road South to Horseneck Road Dartmouth, Drift Road from Hix Bridge Road North to Charlotte White Road Extension, Bassett Street, Pinewood Avenue, Cherry and Webb Lane 400' in from Bridge Street.

After several years of negotiations for easements for the Sanford Road drainage, the problem was resolved and reconstruction began. The Department reconstructed 4300' from Route #177 North, installed a drainage system which goes down to Tobin Avenue to a swamp area. The project is completed and I would like to thank the residents in the construction area and the motoring public for their patience and understanding. This project was done in cooperation with the Mass. DPW State Aid Department District #6.

During the past several years the Department has been processing its own Sand and Gravel from Smiths Pit on Cadmans Neck Road and a Town owned pit off Drift Road. Before this report is published we hope to have the Smiths Pit restored.

The Hix Bridge repair project was advertised for bids in the fall of 1979 for construction to begin in the Spring of 1980. There were no bidders. It was rebid to be opened February 29, 1980. Hopefully there will be a response at that time.

Old Bedford Road from Davis Road to the Dartmouth line will be the next Chapter 90 reconstruction project, with a possibility of State and Federal Aid, under the Urban Systems Program. This option is still open but the question of eligibility exists. My goal is to get the project underway in the Spring of 1980.

Steps are being taken to improve safety conditions at the intersection of Main Road and Charlotte White Road. With the cooperation of District #6 DPW, our Safety Officer and Selectmen and other interested parties we hope to improve sight conditions perhaps install lights or take other safety measures.

The efficiency of this Department depends on the quality and condition of the equipment it has to work with. The Taxpayers of Westport are to be congratulated for allowing the purchase of new equipment to help keep the fleet updated and for allowing adequate money to maintain it properly.

I hope this report will enlighten you somewhat on our activities and I would like to take this opportunity to say that my fellow employees and I enjoy working for the people of Westport.

Respectfully submitted,  
Russell T. Hart  
Highway Surveyor

## REPORT OF THE MASTER PLAN UPDATE COMMITTEE

Hon. Board of Selectmen  
Charles A. Costa, Chairman  
Westport, Massachusetts

Gentlemen:

The committee appointed in 1978 continued work on updating the Westport Master Plan. Thirteen meetings were held thruout the year. We met twice with a SRPEDD representative and utilized accumulated free technical advice time to have SRPEDD provide background studies on employment, population and regional development trends.

Various town boards have been requested to supply information to the Committee on their future operations, but except for a very few replies, results to date have been disappointing. Despite having an original membership of eighteen and having high hopes for a substantial turnout at our meetings, we are conducting our discussions with an average of five members in attendance.

The 1979 Annual Town Meeting appropriated \$1,500 of the \$3,000 requested by the Committee, for use in obtaining clerical, technical, and printing services and for general expenses of the Committee. Based on previous updates of the plan in excess of \$3,500 will be eventually needed to complete our task.

Respectfully submitted,  
Harold E. Sanford  
Chairman, Protém

**TOWN OF WESTPORT  
PLANNING BOARD  
Westport, Massachusetts**

Board of Selectmen  
Town of Westport  
816 Main Road  
Westport, Mass. 02790

Gentlemen:

Herewith is the annual report of the Planning Board for the year 1979. The Board organized during the year as follows:

Warren M. Messier, Chairman	Term Expires 1981
Roger H. Saint Pierre, Vice-Chairman	Term Expires 1980
Edward H. Cloutier, Clerk	Term Expires 1983
Antonio B. Gracia, Jr., Member	Term Expires 1982
George M. Hall, Member	Term Expires 1984
Harold E. Sanford, Ex-Chairman	Term Expires 1979

Mr. Cloutier was reappointed delegate to the Southeastern Regional Planning and Economic Development District, and also represented the Board on the Water Quality Commission. Mr. Messier was appointed to represent the Board on the Citizens Advisory Committee.

During our twenty-seven meetings, we conducted three public hearings on new subdivisions, three on revisions to existing subdivisions, and one on zoning modifications, all as required by the Massachusetts General Laws. Five of the subdivisions totaling nineteen lots were approved. In addition, 23 plans creating 46 new lots on existing streets were endorsed, 2 plans were approved after Board of Appeals action, and 15 miscellaneous plans not creating new lots were endorsed. There was an approximate 30% decrease in subdivision activity over 1978.

The Board has been active in deliberations conducted on the Master Plan Committee, Sewage Study, Water Quality Commission, Flood Plain Zoning, Housing, Historical Preservation, and Regional Planning, and has met with or furnished assistance to the Selectmen, Board of Health, Highway Surveyor, Conservation Commission, Town Counsel, Building Inspector and Assessors.

The Board has been working in conjunction with various agencies regarding flood zone insurance and the recent preliminary maps which have been compiled by the U.S. Department of Housing and Urban Development under the Federal Insurance Administration, now called the Federal Emergency Management Agency. It was noted that with the type of coast line and wind record for the Town of Westport, preparing a map in relation to flood zoning would not be an easy chore by the engineers. The new maps will reflect velocity wind along the coast, and the language will reflect State Building Code, Section 44. Wave height will also be included in the future and more elevation reference markers will be included, with better topographic information.

The Board has changed its meeting schedule so as to meet on Monday nights instead of Wednesday nights during the winter months in order to conserve fuel for the Town, thereby conducting its meetings during the same evenings when other town agencies meet, which eliminates heating the Town Hall on Wednesday nights.

The Board will review its rules and regulations in the current year and will make changes and modifications as necessary, and will continue to work closely with the Master Plan Committee in recommending zoning revisions and additions, and continue to furnish assistance, advice and technical data to the townspeople and to Town Officials.

Respectfully submitted,  
Westport Planning Board  
Warren M. Messier, Chairman

## REPORT OF THE BOARD OF TRUSTS FUND

Honorable Board of Selectmen  
Charles A. Costa, Chairman  
Westport, Massachusetts

Dear Members:

The Commissioners of the Board of Trust Funds Hereby submit the following report for the year ending December 31, 1979.

The Board organized as follows:

Charles Sanderson, Chairman  
Ronald Costa, Vice-Chairman  
Stafford Sheehan, Clerk

Members of the Board were again reassigned to their respective duties, Chairman Sanderson continued to monitor the use of trust monies by the Library Board of Trustees. Vice-Chairman Costa was the Board's liaison with the Fire Department, and submitted reports on the account balance of the Ambulance Fund. Clerk Sheehan reviewed other trust fund donations, such as money from the Friends' (Central Village) Booksale Committee which was designated by the donor for use by the Westport High School Library.

The Commissioners, at their several meetings, discussed alternative methods of informing Westport residents about the purpose for the Board of Trust Funds, or the oversight of the expenditure of all trust funds held by the Town Treasurer, and how this Board can assist anyone who makes a donation to a specific group or organization for a specified purpose. The members also decided at the November, 1979 meeting to rotate occupancy of the positions on the Board, with the Commissioner whose term expires in the present year being selected as chairman.

Respectfully Submitted  
Stafford Sheehan, Clerk  
Board of Trust Funds.

## REPORT OF THE SOLID WASTE DISPOSAL COMMITTEE

In 1979 the Solid Waste Disposal Committee continued to promote and encourage recycling. In theory, 30% of Westport's non-agricultural waste stream can be recycled, reprocessed or reused. From Thursday through Monday at the south side of the Town landfill, the recycling center accepted newspapers and magazines, glass separated by color, and aluminum cans and household items. In 1979, 105 tons of newspapers and magazines were accumulated and sold. The Town purchased its own 50 cu. yd. container for recycling collections in April 1979. Over 47 tons of glass was sorted and reduced in 55 gal. drums and transported to market, and 283 pounds of aluminum household products were sold. All income from the sale of these items was deposited in the Town Treasury. An unknown quantity of bulky metals and white goods were removed from the waste stream by the landfill personnel.

Each recyclable product must meet certain standards in quality and be properly prepared for economical transportation to the market. We thank Joseph Halloran, who volunteered to help in this respect. Furthermore, we thank all town residents who continue to participate in recycling, thereby further saving our tax dollars, landfill space, natural resources, and energy.

The Solid Waste Disposal Committee will research further the Westport waste stream — its quantity, composition, and alternatives in reduction, recycling, or landfilling.

Respectfully submitted,  
Anne Barnes, Chairman

## **REPORT OF THE SOUTHEASTERN REGIONAL PLANNING AND ECONOMIC DEVELOPMENT DISTRICT**

### **TOWN OF WESTPORT**

During 1979 the Town of Westport continued its membership for the tenth year in the Southeastern Regional Planning and Economic Development District. SRPEDD is a planning agency formed under state law to serve communities in southeastern Massachusetts by providing a cooperative approach to regional issues.

The District is governed by a Commission consisting of a chief elected official or designee and a planning board representative from each participating municipality and six low-income and minority representatives. Westport's Commission representatives from the Board of Selectmen and Planning Board are Roxane Delano and George Hall, respectively. Westport is also represented on several advisory committees.

In addition to regional planning, SRPEDD assists member cities and towns. Through the free municipal assistance program, each community receives time for local projects and assistance in preparing applications for federal and state funds.

SRPEDD assisted Westport this past year by:

- preparing analysis of municipal water supply for Water Quality Commission
- providing background and data sections of master plan revision
- assisting local group in applying for a van for the elderly and handicapped.

Westport is participating in SRPEDD's water supply protection program. Staff mapped recharge areas for municipal water supplies and recommended a series of local by-laws and regulations that may be adopted to preserve their purity.

The agency's purpose is to plan for regional land use, economic development, housing, historic preservation, transit, transportation, solid waste and air and water quality. Local participation in these regional plans enables communities to be eligible for federal and state dollars.

Regional plans completed this year benefitting all communities include:

**THE OVERALL ECONOMIC DEVELOPMENT PROGRAM (OEDP)** makes member communities eligible for EDA funding and a 10 percent bonus for public facility projects. The harbor dredging project is included in this year's OEDP.

**THE AREAWIDE HOUSING OPPORTUNITY PLAN (AHOP)** will be used to guide location of subsidized housing to ensure that each community receives its fair share and that none is overburdened. SRPEDD is one of only 23 in the country to receive federal approval of its plan.

**THE TRANSPORTATION IMPROVEMENTS PROGRAM (TIP)** lists major projects in each community for federal and state funding. A project must be included on the TIP in order to be eligible for these funds.

**PLANNING NOTES** a "nuts and bolts" newsletter about zoning and growth issues facing communities - is sent to the Planning Board.

SRPEDD represents the collective will of its member communities. As the responsibilities and problems of municipalities become increasingly complex, the District can provide technical assistance to local boards, encourage cooperation among communities, and provide a comprehensive approach to issues that cross local boundaries.

## REPORT OF THE BRISTOL COUNTY MOSQUITO CONTROL PROJECT

On June 30, 1980 the Bristol County Mosquito Control Project will complete twenty-one years of service to the cities and towns of Bristol County.

During the 1979 spring season, mosquito populations were relatively high in most areas throughout the county. This situation existed throughout most of Central and Southeastern Massachusetts.

Our spray program got underway the second week of May but spray operations were hampered by periods of heavy rain and showers during the latter part of the month, as it rained a total of eight days between May 13th and May 31st.

Despite weather conditions, by mid-June we had appreciable control on the spring brood. This was due to an increase in our spray program in that we had five Leco ultra low volume sprayers and two mistblowers working six days a week. Each truck also carried Altosid Briquets which were placed in the catch basins to stop them from breeding mosquitos. This was done during the regular work day when it became either too hot or windy to spray. By mid-summer, most areas were rid of the large hoardes of mosquitos that had emerged in the spring. During 1979 there was not one confirmed case of Eastern equine encephalitis in any city or town in Bristol County.

On October 1st our spray equipment was put away for the season and all crews turned to ditch maintenance and water management projects. The project now has two tractor-trenchers working year round to clean existing ditches and streams of debris. These machines are also constructing new drainage ditches on the salt marshes along Bristol County's coastline as well as upland swamp water management ditches. With the Construction of new ditches into known breeding areas, we will further reduce the mosquito population. These machines are available to the cities and towns for this type of work on request, should it be determined that this work will aid in the control of mosquitos.

At the close of 1979, aside from our regular spray program, we answered 139 individual spray requests for parties, weddings and other various outdoor activities; treated 285 breeding catch basins with Altosid Briquets; treated 47 1/2 acres of swamp with larvicide; cleaned 2,696 feet of existing streams and brooks of brush and debris, and dug 8,345 feet of drainage ditch with our tractor-trencher.

In 1980, we will have a total of seven Leco ultra low volume sprayers. With an increase in our water management program, coupled with the latest spray equipment, the Bristol County Mosquito Control Project is looking forward to faster and better service in the coming year.

I would like to include in this report that on April 20, 1979 Superintendent Frank W. Dillingham retired from the Bristol County Mosquito Control Project. On April 25, 1979 I, Alan W. DeCastro, was appointed superintendent. I have worked for the project since it was organized in 1959. From 1960-1965 I was a crewleader. During the latter part of 1965 I was appointed assistant superintendent, a position I held until my appointment as superintendent.

We, at the Bristol County Mosquito Control Project, would like to extend our sincere thanks to the Town of Westport for their continued support and cooperation.

Respectfully submitted,  
Alan DeCastro  
Superintendent

## REPORT OF THE CONSERVATION COMMISSION AND SOIL CONSERVATION BOARD

Honorable Board of Selectmen  
Charles Costa, Chairman  
Westport, MA

Gentlemen:

In May, the Commission held it's annual meeting and elected as officers the following: Normand Sasseville-Chairman, Thomas McGarr-Vice-Chairman, Thomas Porter, Jr. -Secretary. Anne Barnes and Donald Bernier continue as members. Urbain Pariseau and James Tripp were appointed to the Commission. Alan Manchester's term of office expired during the year. His interest and dedication to the work of the Commission will be missed.

The Commission has lost the services of Albert Palmer who served for years as a part-time Conservation Officer, and Steve Bliven who served as part-time Assistant Conservation Officer. The loss of these two very knowledgeable and dedicated officers presented severe problems to the Commission.

During the year Barbara Hickey came aboard as our part-time clerk, Clara Duquette-Senior Aide as a part-time clerk and Al Robichaud took on the task of Assistant Conservation Officer. We commend the staff for the effort they put into part-time positions that require a full time staff.

As usual most of our efforts are expended with the routine work involving earth minerals removal and wetland protection. Coastal Zone Management regulations have added to the workload. As the population of the town grows and new developement of land involve areas that are more and more marginal, the Commission feels that additional safeguards must be instituted for the protection of our natural resources. The Commission plans to propose a wetlands by-law for adoption by the town meeting.

A program of water quality monitoring in the river instituted a couple of years ago by the Science Department of the Westport High School, the Westport River Defense Fund and the Commission won third place in the annual Bristol Conservation District competition.

The Commission has applied for a Coastal Zone Management grant that would fund a project of beach erosion, sediment transport and wave action. Results of this study should be useful for planning erosion control, dredging and stabilization programs.

A C.E.T.A. grant was obtained for the purpose of indentifying, delineating and mapping of the wetlands in town. More accurate information about our wetlands would be helpful to many town boards. Rick Krinov is the supervisor of this program and good progress has been made to date.

The Commission members wish to thank all those persons who have assisted and supported our efforts.

Respectfully,  
Normand Sasseville  
Chairman

## WESTPORT RECREATION COMMISSION

Board of Selectmen  
Town Hall  
816 Main Road  
Westport, Mass. 02790

Gentlemen:

Report of the Recreation Commission for the year 1979 to the citizens of Westport.

In order to accommodate more people in the community the Recreation Commission included in its 1979 programs a safe boating class which was extremely well attended. An exercise program was also held with 75 participants. With the help of the Red Cross and Norman Duquette of the Westport Fire Department many persons were able to be C.P.R. trained.

Always with the idea of implementing new programs, a girls basketball league was started, it is now running at full capacity with the help of volunteers. We would like at this time to thank all volunteers who helped with childrens modern dance, instructional basketball, knitting and general support throughout the year.

All summer programs; swimming, tennis and playground (2) were well attended and as in the past much interest was shown. We intend to update and improve these programs as well as add new ones to our summer roster.

Respectfully,  
William Baraby, Chairman

2. **Information and Referral:**

From January 2, 1979 to December 31, 1979 there was 148 walk-ins.  
804 in-coming telephone calls  
650 out-going telephone calls  
Telephone calls and walk-ins sought and were given information on Fuel Assistance, Weatherization Programs, ID Cards, Bus Passes, Bus Trips, Nutrition Programs, Social Security, Medicare, Arts & Crafts, Senior Citizens Clubs, Vial of Life Program, etc. Referrals were made to the appropriate agency. Transportation to medical appointments were sought and given by various members of the Council.

3. **Nutrition Programs:**

Through December 31, 1979 approximately 11,193 meals were provided for the Westport Elderly at Greenwood Terrace Recreation Hall, Westport Point.  
Doris M. Murray, Our Senior Aide, delivered approximately 3,481 meals to the homes of shut-in elders.

4. **Transportation Survey:**

In the Spring we conducted a transportation survey to determine the needs of the elderly with the following results.  
2,213 surveys mailed                      500 responses to survey received.  
Results on file in Council on Aging Office.

5. **Annual Picnic:**

The annual picnic was held Tuesday, September 18, 1979. Again the Reverend Edmond R. Levesque, Director of St. Vincent de Paul Camp, Adamsville Road, allowed us the use of the campgrounds. A good time was had by over 200 participants. Muscial entertainment was provided by Westport Senior Citizens' Band under the direction of Madelyn Laguex.

6. **Christmas Party:**

Our Christmas Party was held in the Westport High School Cafeteria, under the able direction of Nicholas Ciarlone, December 9, 1979. Michael Franco and Raymond Goulet provided the musical background. After the buffet luncheon Clara Duquette, Sophie Banville, and Florence Medeiros led the singing of Christmas Carols. Gifts were distributed by the courtesy of Mary E. Hart, Fall River Savings Bank, Fall River Trust Co., and the Lions Club. The Lions Club also provided transportation. Girl Scout Cadette Troop 1106 provided the party favors. At 2:00 p.m. the Seniors attended the W.H.S. Christmas Concert in the Harold S. Wood Auditorium where an enjoyable performance was given by many talented students.

7. **Arts and Crafts:**

Our Arts and Crafts Program Meeting at Greenwood Terrace Recreation Hall continued through December, recessing for the holidays. Each week a different project was taught by volunteer instructors. Total attendance for the year was 840. Wood carving under the supervision of Edward Cloutier is our most recent project. This program is also held in the Greenwood Terrace Recreation Hall every Wednesday through the courtesy of the Housing Authority.

8. **Westport Widow (er)'s Support Group:**

Our very successful pilot program, administered by Catherine M. Bishop held in Howland Hall Community Center recessed in June. We obtained an extention of our grant money from the Department of Elderly to continue this program in September under the direction of Ella Griswold. Meetings are held the third Friday of each month from 1:00 — 3:00 P.M. in the Westport Public Library's Conference Room. We were also awarded an additional grant of \$550.00 from DEA.

9. **Humanities Programs:**

The Humanities Program is sponsored by the National Council on Aging. An eight week seminar on "The Remembered Past 1914-1945" supervised by Audrey Tripp was held and another eight week program "Exploring Local History" under the supervision of Mrs. Carlton Sanford was in the Westport Free Public Library's Conference Room. Average attendance was 8 to 26.

10. **Bingo:**

Bingo games were held every Thursday at 1:00 — 4:00 P.M. at the Greenwood Terrace Recreation Hall under the supervision of Doris M. Murray. Attendance averaged 22 weekly.

11. **Friendly Visitor:**

Mrs. Violet Morse, Senior Aide our Friendly Visitor from January 1, 1979 — September 30, 1979 made friendly visits, delivered library books, vial of life and made referrals to the proper agencies for the SSI, medical assistance, food stamps program, nursing department, and homemakers and choremakers.

12. **Grants:**

1) Under Title III of the Nutrition Program a grant was received from Bristol County Home Care for Elders, Inc. for home delivered meals.

2) A grant of \$1,300.00 for a bi-monthly newsletter "Going Strong" was received from the Department of Elders Affairs. Breakdown \$750.00 towards newsletter and \$550.00 for Widow (er)'s Program.

This is a summary of what the Council has accomplished this year.

These are things that need to be done by us, with your help and the help of all Westport residents. They should be done as soon as possible.

1) Establish a Multi-purpose Center

2) Continue to seek out and alleviate the distress of all Westport elders whose barest needs are not now being adequately met: their food, clothing, shelter, medical requirements, etc. by directing them to the proper agencies that can help them.

The Council would like to take this opportunity to thank everyone who has contributed in anyway towards the success of our various programs.

Respectfully submitted,  
Esther Samson  
Chairman

## LEGAL DEPARTMENT

Board of Selectmen  
Town Hall  
816 Main Road  
Westport, Mass. 02790

Gentlemen:

The Legal Department duties and caseload have been increasing as the years go by due to several factors. The three biggest factors are: (1) the ever changing laws imposed by the State and Federal Governments upon the Town and the problems the part-time Boards have in keeping pace, (2) the labor problems and related matters such as negotiations and grievances, and (3) the suit conscious attitude of persons in general.

The following chart illustrates the basic caseload for the past five years. One can readily see that in the last five years there have been 34 cases commenced against the Town and 10 cases commenced by the Town for a total of 44 cases commenced. During this same five year period, 38 cases have been disposed of.

	1975	1976	1977	1978	1979*
Cases pending January 1st	8	15	18	17	15
Cases Commenced against Town	9	7	7	7	4
Cases Commenced by Town	2	2	2	2	2
Total	19	24	27	26	21
Cases Disposed of during Year	4	6	10	11	7
Cases Pending December 31	15	18	17	15	14

**Note:** \*1979 figure does not include 2 cases to be tried in December — should result in 9 cases disposed of and 12 pending.

Unfortunately, I believe the Court cases will increase due to the passage of the Tort Claims Act which abolished municipal immunity and now allows people to sue cities and towns for matters that have heretofore been immune.

A general review of the cases indicate that the cases commenced by the Town involve the enforcement of local By-Laws such as Zoning By-Laws, Soil Conservation By-Laws, and Trailer By-Laws. The cases commenced against the Town involve a myriad of causes of action such as License Appeals, Variance Appeals, negligence (broken leg) employee discharge, discrimination complaints, and contract disputes.

A brief synopsis of the 18 cases disposed of in the last two years is as follows:

<b>Cases Against the Town</b>		
<b>Name</b>	<b>Type</b>	<b>Disposition</b>
1. Charest v. Appeals Board	Appeal from decision of building inspector	Decision in favor of town
2. Jefferson v. Elementary School Bldg. Comm.	Roof Arbitration	Dismissed by Agreement
3. Pineault v. Cons. Comm.	Discrimination Comp.	Decision in favor of Town
4. Morton v. Plan. Bd.	Appeal decision to sign plan	Dismissed by Agreement
5. Pedro v. Selectmen	Contract Dispute	Settled by Agreement
6. Quincy Bldg. v. Assessors	Tax Appeal	Settled by Agreement
7. Menard v. Assessors	Tax Appeal	Settled by Agreement
8. (2) minors v. School Dept.	Chapter 766 matter	Decision in favor of Town
9. Minor v. School Dept.	Chapter 766 matter	Decision in favor of Town
10. Jefferson v. School Bldg. Comm.	Contract disput amt. claimed \$30,000.	Judgement rendered \$17,420.00
11. Caine v. Westport	Wrongful Death	Judgment \$10,000. on Appeal
12. Brown v. Westport	Wrongful Death	Judgment \$10,000. on Appeal
13. Douglass v. Westport	Bldg. Permit Issuance	Decision in favor of Town
14. Olde Sanford Liquor Mart v. Selectmen	Appeal License Suspension	Decision in favor of Town
<b>Cases originally Commenced by the Town</b>		
<b>Name</b>	<b>Type</b>	<b>Disposition</b>
15. Assessors v. State Tax Commission	Appeal Valuation	Settled in favor of Town
16. Selectmen v. Douglass	Zoning Violation	Decision in favor of Douglass
17. Board of Health v. Chandanaais	Violation Campground Laws	Decision in favor of Town

18. Soil Board v. Fernandes

Soil By-Law Violation

Dismissed by Town  
after compliance

The area creating the most problems for the Legal Department are not the Court cases, but the rendering of decisions and time spent with the various Board to prevent the Court cases. For the past two years I have averaged 25 hours per week on Town business directly related to duties performed as Town Counsel. It further appears that this situation will continue to require more time and expense for the Town. I hope that with a cooperative effort of all Board and myself, that a more workable program can be established.

Another area that is emerging as a time consuming and costly factor for the Town is the area of labor negotiations and settlement of grievances. This past year saw the first strike by Town Employees (School Department). Of the first contracts negotiated by the Selectmen, three were settled only after mediation or fact-finding and only two settled strictly at a the local level. Additionally, there have been more grievances filed and it appears that more of these are likely to be appointed to the Board of Arbitration for final settlement.

In general, indications are that legal problems, together with the need for legal assistance, will continue to increase at a greater pace than ever before.

Very truly yours,  
Carlton A. Lees,  
Town Counsel

## WESTPORT HOUSING AUTHORITY REPORT

Honorable Board of Selectmen  
Charles A. Costa, Chairman  
Westport, MA. 02790

Dear Members:

During 1979 the Housing Authority has actively pursued the development of the HUD turnkey project for which the Authority has received a \$2,044,775 fund reservation. This development for low-and moderate-income persons will consist of 40 units for the elderly, 12 one-bedroom family units, and 4 two-bedroom family units. Some of these units will be designed specifically for handicapped persons. Because the Authority received no proposals from developers when the developers were asked to propose sites, we had to revise the approach in 1979 to the Authority pre-selecting a site. After extensive work in trying to locate a suitable site, the Authority has obtained legal options on a site at Gifford Road and Osborn Street and another site at Central Village behind the Milton E. Earle School. We are currently in the process of obtaining the necessary approval for one of these sites from HUD and the appropriate town boards. It is expected that a developer will be selected and construction will commence in 1980.

On April 29th, the Westport Housing Authority celebrated the five-year anniversary of the occupancy of Greenwood Terrace Housing for the Elderly. The public was invited to participate in afternoon activities and enjoy the music and light refreshments served.

Several programs have continued to be made available at Greenwood Terrace in the Authority's effort to help facilitate participation of Westport elderly citizens in various activities. Under Council on Aging sponsorship, the elderly joined in a very successful Crafts Program during 1979, including craft projects, wood carving, etc. The Recreation Commission initiated a senior citizen's Physical Fitness Program during the spring season. Mary Hart, administrator of the Nursing Program, conducted a flu clinic in November. The Elderly Nutrition Program carried on in their work to serve hot meals several days a week in the community hall.

Expansion of preventative maintenance operations was made possible by the Authority's participation in CETA's Summer Youth Employment Program, and by acting as a host agency in obtaining the services of a part-time senior aide through the Bristol County Home Care for Elderly, Inc.

The Authority is grateful for the generosity and thoughtfulness of various groups who volunteered their time and effort to enrich the lives of Greenwood Terrace residents, especially during the Christmas holiday season, at which time there was Christmas caroling, wreaths donated, etc.

Respectfully submitted,

## REPORT OF THE BOARD OF TRUSTEES OF THE WESTPORT FREE PUBLIC LIBRARY

### TRUSTEES:

<b>Chairman</b>	Octave Daniel Pelletier
<b>Vice-Chairman</b>	Edwina Cronin
<b>Secretary</b>	Frances Kirkaldy
<b>Member</b>	Dorothy W. Smith
<b>Member</b>	Richard Sobel
<b>Member</b>	George J. Thomas, Jr.

### PERMANENT STAFF:

<b>Librarian</b>	Anita Baron
<b>Assistant Librarian</b>	Bette Souza
<b>Assistant Librarian</b>	Dorothy Cabral
<b>Library Clerk</b>	Pauline Tavares
<b>Library Aide</b>	Susan Silvia
<b>Library Aide</b>	Karin Wood
<b>Custodian</b>	Joseph Cardoza

### CIRCULATION:

<b>Adult Books:</b>	44,734
<b>Juvenile Books:</b>	28,684

Edwina Cronin chaired the Board's Budget and Finance Committee; Richard Sobel was a member, George Thomas served on the Board's Personnel Committee, and Dorothy Smith served on the Board's Building Committee.

In April, Doris Tracey started working in the Library as a Senior Aide on a part-time basis. This position is funded by the federal government and administered by the Bristol County Home Care for Elderly, Inc. in Fall River.

Ronald Rego, who worked part-time in the Library for three years, resigned as Library Aide in July. In September, Susan Silvia was hired to fill this vacant position.

Three adult film series were held at the Library during the spring, summer, and fall. Films are provided through the Eastern Massachusetts Regional Library System, a program funded by the Commonwealth of Massachusetts.

Children's services included pre-school story hours, a summer reading club, monthly film festivals, and special holiday programs.

The Board of Trustees was gratified by the number of Town committees and non-profit educational and cultural groups using the Library Project Room. In Particular, The Council on Aging sponsored two seminars in the spring and fall, and the Camp Fire Girls conducted an eight week self-reliance course.

The Library receives an annual appropriation from the Town for the purchase of books, periodicals, and audio-visual materials. In addition, the Library is able to buy several titles through donations and from the earnings of trust funds.

This year the Library received from the Westport Monthly Meeting of Friends a \$100.00 donation which was used to purchase large print books. Memorial Funds for Basil D. Hall and Walter B. Seeley were established.

Earnings from the Alice Dennett Tripp Memorial Fund were used to purchase a 21 volume set of children's books, **The Ocean World of Jacques Cousteau**. Titles in the area of agricultural and industrial arts were added to the collection using the income from the Ronald A. and Randall A. Tripp Memorial Fund. Proceeds from the Imogene Weeks Fund and the William B. Hicks Memorial Fund were used to buy adult non-fiction books.

The year 1979 was marked by several incidents of vandalism. Plate glass windows were broken; the gas meter was damaged beyond repair; a fire was set in the book drop. The ex-

pense of replacement was high. In addition, the Board of Trustees felt it was necessary to take several costly precautionary measures such as the building of an enclosure for the gas meter. The Board of Selectmen and the Chief of Police were most co-operative in dealing with the problems of vandalism.

An outside ramp was built making the building completely accessible to handicapped individuals. The Board of Trustees would like to publicly thank Russell Hart and employees of the Highway Department who constructed the ramp.

One stack range was added in the children's area of the Library. An additional range is planned for the adult fiction section. This will end the current phase of Library expansion; future growth will require an addition to the present facility.

The Board of Trustees is appreciative of your continuing support and encourages you to make use of our fine Library.

Respectively submitted,  
Octave Pelletier, Chairman  
For the Board of Trustees

## REPORT OF THE SHELLFISH ADVISORY COMMITTEE

Honorable Board of Selectmen  
Mr. Charles Costa, Chairman  
Westport, Massachusetts

Gentlemen:

In closing the year 1979, the Shellfish Advisory Committee has been advised by Shellfish Constable, Albert Palmer, that the estimated value of all shellfish caught this past year by commercial fisherman was \$245,525.00.

This figure for 1979 has increased over that of 1978 principally because of an increase in the scallop harvest over the preceding year.

At the present time this committee is looking forward to a year which should show improvement in both the oyster beds, which have been closed, and clam beds. We do not anticipate a very productive scallop season for 1980, but will continue with a scallop seeding program.

The quahog seeding program is going into its 3rd year and we intend to continue with it anticipating positive results in the near future, noting that the long range results are really what we are looking forward too.

Those families holding family permits were responsible for catching an estimated \$73,204.00 worth of shellfish. The total estimated value of all shellfish caught in 1979 was \$318,729.00.

Continuing programs of quahog and scallop seeding show promise of valuable crops of shellfish for the people of Westport. The Shellfish Constable should once again be commended for the fine job he is doing.

## REPORT OF THE OFFICE OF CIVIL DEFENSE

Board of Selectmen  
Westport, Massachusetts

I hereby submit the following as the report of the office of civilian defense for the year 1979.

The Town's emergency warning system is operating and tested on Saturdays to ensure their operational readiness.

We receive the bi-monthly state-wide checkerboard tests which are sent out over the N.A.W.A.S. warning system. This emergency warning system is monitored 24 hours a day by the Westport Police Department. We also participate in the monthly state-wide R.A.C.E.S. drills which are conducted monthly by the Massachusetts Civil Defense Agency. Our Citizens Radio Service, under the Direction of Deputy Director Dennis Amaral, has been conducting regular communications drills.

In our emergency operations center we now have the capabilities of direct two-way emergency communications with our Police Department Control Center as well as all patrol cars assigned to the system. To aid our emergency services we also have complete emergency two-way radio communications throughout the town with our citizens radio service as well as with our amateur radio service. Through the amateur radio service we also maintain two-way radio communications with all emergency operations centers with-in our 25 town sector, as well as with towns throughout the state of Massachusetts and Rhode Island.

We are in the process of establishing an emergency two-way radio link with the Fall River Chapter of the American Red Cross. This system will be in full operation within the first quarter of 1980. The Westport Civilian Defense office along with the aid of Mrs. Hilda Martel, of the Selectmens office, have been coordinating emergency fuel activities between the town and the executive office of communities and development.

Sincerely,  
Arthur S. Marshall  
Director, Westport, Mass.

## PERSONNEL BOARD

Chairman, Charles A. Costa  
Board of Selectmen  
Town of Westport

Gentlemen:

Herewith the report of the Personnel Board for the year 1979.

Membership consisted of Michael McCarthy, Chairman, Cecile H. Adler, Secretary and Nicholas Ciarlone, Representative from the Finance Committee. Roxane Delano, Esq., Town Administrative Assistant, served ex-officio and attended most of the meetings.

Regular Meetings were held each month, often with representatives from the Town Departments who wished clarification and/or implementation of the various aspects of their personnel needs.

This Board has worked diligently to clarify salary patterns, hiring procedures, job descriptions, etc., so as to conform with the Town By-Laws, as well as those set by the Commonwealth, the Federal Government, and the policies of the office of equal opportunity.

The intent of this Board has been to try to find fair and equitable solutions to the problems that have arisen. In most instances, the various departments have been most cooperative and appreciative of our efforts.

Respectfully submitted,  
Cecile H. Adler  
Secretary

The Fire Department answered 1207 calls for a total of 1195 vehicle runs during the year, classified, as follows:

Buildings	35
Woods	15
Grass and Brush	71
Auto and Truck	65
Lost Person	1
Electrical	16
False Alarm	17
Needless Run	18
Mutual Aid	34
Washdown	18
Chimney	9
Assist Rescue	8
Heating Appliance	2
Bomb Scare	2
Pump Cellars	16
Explosions	1
Jaws-of-Life	2
Unclassified	13
Investigations	37
Public Assistance	43
Dumpsters and Rubbish	42
Accidental Alarms	12
Emergency Ambulance	614
Non-emergency Ambulance	89
First Aid in Station	27
Total	1,207
Total Fire Related Calls	477
Total Ambulance Related Calls	730

The following is a summary of vehicle runs for the year:

Engine 1	118
Engine 2	42
Engine 3	76
Engine 4	28
Engine 5	15
Forestry 2	77
1974 Carryall (Rescue)	119
1974 Modular Ambulance	494
1977 Modular Ambulance	196
Dodge 4 x 4 (C D)	17
International Scout	13
Total	1,195

There were 67 times when there was an incident when fire fighters responded in their own vehicles instead of one of the town's. This makes a total equipment response of 1,262.

Permits for the following were issued during the year:

Install or alter oil burner	43
Storage or fuel oil or kerosene	49
Gasoline tank removal or installation	5
Storage of flammable liquids	37
Storage of small arms ammunition	5
Open air fires	827
Storage of gasoline or diesel	27
Blasting	9

I would first like to thank the Westport Lions Club for initiating the "Save-A-Life" Campaign. Through their efforts, especially the committee, the Fire Department has a very valuable piece of rescue equipment. I would also like to thank the donors and everyone else who assisted in any way, in this very successful drive. This Lucas Rescue equipment, (Jaws of Life), has already been used, and probably saved a life.

Once again this year, I will be seeking to refurbish Engine 4. This is an apparatus that is 28 years old, (1952). The total replacement cost of this engine would be about \$75,000. but by using the same tank and body, this can be accomplished for less than half of the replacement cost.

The average age of our fire apparatus is 19 years old, and this is a list of equipment and their delivery dates:

Engine 1	1974	6 years old
Engine 2	1960	20 years old
Engine 3	1967	13 years old
Engine 4	1952	28 years old
Engine 5	1953	27 years old
Forestry 2	1962	18 years old

If a planned replacement schedule is not followed closely, a major capital outlay will be faced in the near future.

Respectfully submitted,  
George F. Dean  
Fire Chief

It is the policy of the School Department to issue no-school bulletins or announcements through Radio Stations WALE and WSAR, Fall River; WNBH and WBSM, New Bedford; WPRO, WJAR and WHIM, Providence, whenever driving conditions are, or seem likely to be dangerous. On doubtful mornings, the family radio should be turned to one of the above stations for the no-school announcements. Please depend upon your radio rather than your telephone for obtaining this information as telephone lines have to be kept open. School may be cancelled during school hours due to inclement weather or emergencies, parents should make provisions accordingly.

Parents must use their own judgment, in regards to whether it is suitable for their children to attend school in stormy weather.

Dr. James F. Francis  
Superintendent of Schools

## **SUPERINTENDENT REPORT TO THE SCHOOL COMMITTEE**

Ladies and Gentlemen:

I hereby submit my sixth annual report as Superintendent of Westport Public Schools.

Reports from the various school principals are not included herein, but will be on file in the school department office as public information. In addition personnel changes, other than administrators will be included in the teachers listing and will not be duplicated here.

### **SERVICES FOR SPECIAL NEEDS STUDENTS**

Services for special needs students continue in Westport Schools. The amount of federal funding for special needs increased this year and is expected to increase next year.

Psychological services for students and parents have been provided through federal funds and have been very helpful with parent-school-student relations.

Westport continues to experience transfers of special needs students into the school system and this continues to pose problems in budgeting for tuition and transportation. Some legislation is pending which will hopefully assist us as well as local communities in this regard.

### **FEDERAL FUNDING PROGRAMS**

Remedial reading services continue to be provided under a \$71,663.00 Title I, ESEA Grant.

In addition, our special needs program received \$26,469 under P.L. 94-142.

### **THE BUSINESS AREA**

In September 1979, Mr. Chester B. Adams Jr. resigned his position as business manager to assume a similar position in West Springfield Public Schools. Mr. Adams performed his duties in a commendable manner and the school department staff expressed their best wishes to him in his new position.

The duties performed by the business manager are presently being performed by the superintendent, secretary to the superintendent and the building principals.

With the loss of two clerks through budget cuts, there are problems in completing the necessary reports for the state and federal government and completing the routine clerical duties. At the end of the current school year our staff will evaluate this area and report to the school committee regarding their findings and recommendations.

### **CHANGES IN ADMINISTRATIVE PERSONNEL**

Mr. Peter Mello, principal of the Westport Elementary School resigned his position in December 1979 to assume duties as a curriculum administrator in the Rutland, Vermont School System.

The members of the school department wish him well in his new position which becomes effective January 1980.

### **BASIC SKILLS IMPROVEMENT**

Our basic skill improvement program has been capably administered by Mrs. Myrtle Stone, Curriculum Coordinator.

Plans for the Basic Skills Improvement Policy to begin during the 1980-81 school year, as mandated by the State Board of Education, has been one of the priorities during the 1979-80 school year. Final recommendations for this policy will be completed by March 1st at which time they will be submitted to an Advisory Committee for Basic Skills Improvement.

The content areas of mathematics and language arts have been the focal point of curriculum improvement in order to service all students to the best of our ability.

#### **EVENTS OF THE PAST YEAR**

In April 1979, members of the AFSCME which is comprised of members of the non-teaching staff participated in a work stoppage which lasted two days. Joining them, were members of the WFT teaching staff who did not enter the schools in sympathy with members of the other collective bargaining unit.

Schools were open according to statute and some members of the school department staff reported to work. My thanks are extended to those administrators, teachers and other members of the department and volunteers who reported to duty or volunteered on those two April days.

It would be noted that the Milton E. Earle School remained in session and the members of the staff who remained on duty were duly commended by the superintendent.

#### **EMERGENCY CLOSING OF SCHOOLS**

The decision to close or not to close school because of inclement weather is one of the most difficult decisions to make on the part of any school superintendent; for the safety of school children is at stake.

I would like to express my profound thanks to Mr. Russell T. Hart, Westport Highway Surveyor, for his assistance. His willingness to keep close contact with me at home or at my office in times of emergencies and bad weather conditions at any time of the day or night during my six year tenure as superintendent will long be remembered by me.

#### **CONCLUSION**

My sincere thanks and appreciation are also extended to the members of my immediate staff who have been with me through a year of difficulty and transition, and to all the members of the School Committee, and School Department who are interested in better education for our students in Westport.

Respectfully submitted

Dr. James F. Francis  
Superintendent of Schools
