

Covid and Flu Vaccination Clinic

Sponsored by: Westport Board of Health, Westport Apothecary, Westport Fire Dept. and Westport Community Schools

WHEN: Friday, November 04, 2022 / 3:00pm - 7:00pm

WHERE: Cafeteria in the former Westport Junior/Senior High School at 19 Main Road, Westport, MA

The available vaccines are as follows:

- **COVID Boosters** - Bivalent (updated version of original vaccines) Formulations of the Moderna and of the Pfizer-BioNTech COVID-19 vaccines.
 - You must have completed a primary series of COVID-19 vaccinations to receive this new booster.
 - The Moderna Bivalent COVID-19 Vaccine is authorized as single booster dose **for individuals 5 years of age and older.**
 - The Pfizer Bivalent COVID-19 Vaccine is authorized as a single booster dose **for individuals 5 years of age and older.**
- **COVID Primary Series** – Adult Vaccines of Moderna, Pfizer-BioNTech, Novavax and J&J and Pediatric Vaccines of Moderna, Pfizer-BioNTech only.
- **Flu vaccine** – Both High Dose (65 years and older) and children (3 years and older) and adult vaccines will be offered.

NOTE: *You can choose to receive both the COVID Vaccines and FLU Vaccine at the same time. Primary COVID and BOOSTER cannot be done at the same time.*

*****PLEASE BRING YOUR ID AND INSURANCE CARD TO THE CLINIC*****
*****FOR COVID VACCINE, PLEASE BRING COVID VACCINATION CARD*****

If you are eligible for a COVID-19 vaccine booster, the updated booster you receive does not need to be from the same manufacturer you received for your primary vaccination or previous booster. To check eligibility, click here: <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/stay-up-to-date.html>

If you have any questions, please contact the Westport Board of Health at 508-636-1015.
