OFFICE OF BOARD OF HEALTH
856 MAIN ROAD

**NOTICE TO PERSONAL CARE ESTABLISHMENT
TO CEASE OPERATION
March 24, 202**

On March 23, 2020, the Governor of the Commonwealth of Massachusetts issued an Order on the Continued Operation of Essential Services in the Commonwealth, Closing of Certain Places and Prohibiting Gatherings of More Than 10 People ("Order"). The Order required that all businesses that do not provide essential services, as defined in the Order, must close their physical workplaces and facilities to workers, customers, and the public as of Tuesday, March 24th at noon until Tuesday, April 7th, until noon. The Order is available on <https://www.mass.gov/>.

The Order does not list personal care establishments as an essential service that may remain open for business. The Board of Health considers the following to be a personal care establishment:

- Hair (dressers) salons and barbershops
- Nail salons
- Massage services
- Body art, including without limitation tattooing, piercing and micro blading.
- Body work
- Aestheticians
- Day spas
- Tanning salons
- Fitness and exercise centers

In compliance with the Governor's Order, you are directed to close your establishment to facilities to workers, customers, and the public until Tuesday, April 7, 2020. You may continue to conduct business remotely on the phone or on line. Please check the Board of Health's webpage (<https://www.westport-ma.com/board-health>) prior to reopening to see if there have been changes to reopening date.

Please call the Board of Health office with any questions or concerns you may have, 508-636-1015.

Thank you for your cooperation.
