Board of Health,

To the Honorable &c.

The American Telephone and Telegraph Company respectfully request permission to construct, operate, and maintain its line of poles and wires through your town from the Fall River City line, to Westport Factory, over and along the, so called, new road.

The said Telephone and Telegraph Co. desire to rebuild the line now standing on this route, owned and occupied by the So.

Mass. Telephone Co., substituting stronger and better poles, and removing the old poles.

The Telephone Co. will do all its work in a thoroughly substantial and workmanlike manner, under the direction and supervision of your Street Committee, or some other party designated by you.

Very Respectfully,

The American Tel. & Tel. Co. by A. E. Crocker.
