[Chapter 11.]

OF THE ASSESSMENT OF TAXES.

[EXTRACT.]

NOTICES AND LISTS.

SECTION 38. Before proceeding to make an assessment, the assessors shall give reasonable notice thereof to the inhabitants of their respective places, at any of their meetings, or by posting up in their city or town one or more notifications in some public place or places, or by some other sufficient manner. Such notice shall require the inhabitants to bring in to the assessors, within a time therein specified, true lists of all their polls and personal estates not exempted from taxation, and may or may not require them to include real estate in their lists of property subject to taxation. Unless such requirement is made in said notice, the omission of real estate from the list brought in to the assessors shall not deprive the owner of such real estate of his right to an abatement of the tax thereon. If he files with his application to the assessors for abatement a list of the real estate on which the same is claimed, with his estimate of the fair cash value of each parcel thereof, and makes oath that said list and estimate are true according to his best knowledge and belief.

SECTION 39. The assessors shall in all cases require a person bringing in a list to make oath that the same is true; which oath may be administered by either of the assessors.

SECTION 40. They shall receive as true (except as to valuation) the list brought in by each individual according to the provisions of section thirty-eight, unless on being thereto required by the assessors he refuses to answer on oath all necessary inquiries as to the nature and amount of his property.

SECTION 41. They shall ascertain as nearly as possible the particulars of the personal estate, and of the real estate in possession or occupation, as owner or otherwise, of any person who has not brought in a list as required by them, and shall make an estimate thereof at its just value, according to their best information and belief.

SECTION 42. Such estimate shall be entered in the valuation, and shall be conclusive upon all persons who have not seasonably brought in lists of their estates, unless they can show a reasonable excuse for the omission, and except as provided in sections thirty-eight and seventy-three.

SECTION 43. In making the estimate provided for in the two preceding sections, the assessors shall specify the amount of each class of personal property mentioned in clauses numbered eighth, ninth, tenth, and eleventh, in section fifty-four, and enter the same in column number five, upon the blank books furnished under the provisions of section fifty-two; provided, that an error or over-estimate of any class shall not be taken into account in determining whether a person is entitled to an abatement, but only the aggregate amount of such estimate.

SECTION 44. After personal property has been legally assessed in any city or town to an executor, administrator, or trustee, an amount not less than that last assessed by the assessors of such city or town in respect of such property shall be deemed to be the sum assessable, unless a true list of such property is brought in to the assessors in accordance with the provisions of section thirty-eight.

SECTION 45. The assessors of each place shall at the time appointed make a fair cash valuation of all the estate, real and personal, subject to taxation therein.

SECTION 46. The assessors, when they think it convenient, may include in the same assessment their state, county, and town taxes, or any two of them.

SECTION 47. In the city of Boston all taxes assessed for city or county purposes may be assessed separately as county taxes and as city taxes, or under the denomination of city taxes only, as the city council from time to time directs. Chelsea, Revere, and Winthrop shall not be taxed for county purposes.

SECTION 48. The assessors shall in each year assess upon the polls the state and county taxes, and if either of said taxes exceeds in amount the sum of one dollar upon each poll, the excess above said amount, and in every case the whole amount assessed for other purposes shall be apportioned upon property as provided by this chapter.

SECTION 49. They may add to the amount of a tax to be assessed such sum, not exceeding five per cent. thereof, as any fractional divisions of the amount may render convenient in the apportionment.

SECTION 50. They shall make, upon the blank books furnished in accordance with section fifty-two, a list of the valuation and the assessment thereon, and, before the taxes assessed are committed for collection, shall deposit the same, or an attested copy thereof, in their office, or if there is no office, with their chairman, for public inspection.

SECTION 51. The first part of the list shall exhibit the valuation and assessment of the polls and estates of the inhabitants assessed.

The second part shall exhibit the valuation and assessment of the estates of non-resident owners, and shall contain in separate columns the following particulars: to wit,—

The names of the non-resident owners of the property assessed, or such description of them as can be given.
Their places of abode, if known.

Be it enacted, etc., as follows:

[EXTRACT.]

SECTION 1. Any mortgagee or mortgage of real estate may bring in to the assessors of the town or city where such real estate lies, within such time as shall be specified for bringing in the lists as provided in section thirty-eight of chapter eleven of the Public Statutes, a statement, under oath, of the amount due on each separate lot or parcel of such real estate, and the name and residence of every holder of an interest therein as a mortgagee or mortgagor. The assessors shall, from such statements or otherwise, ascertain the proportionate parts of such estates that are the interests of mortgagees and mortgagors respectively, and shall assess the same. Whenever, in any case of mortgaged real estate, a statement is not brought in as herein provided, no tax for the then current year on such real estate shall be invalidated for the reason that a mortgagee's interest therein has not been assessed to him.

SECTION 2. The provisions of the preceding section shall be included in the notice to be given by the assessors under the provisions of section thirty-eight of chapter eleven of the Public Statutes.

SECTION 3. This act shall take effect upon its passage. [Approved April 21, 1882.]
