The Connecticut Mutual Life Insurance Company of Hartford

IS IN REALITY A MUTUAL LIFE INSURANCE COMPANY.

IT gives Life Insurance to protect the family: it gives it at only its actual annual cost: it makes that cost as small as possible by prudence and economy: in the past 58 years it has made that cost less, on the average, than in any other company.

Its policies are therefore the most desirable to those needing the protection, to him who has to pay for it, and to the agent who wishes to furnish his clients only that which is most to their permanent advantage. Full information given and copies of policies shown by

GEORGE E. WILLIAMS, General Agent, 53 Devonshire St., BOSTON, MASS.
