

Hau River April 27/1903

Augustus R. Wood Esq.
Central Village Hall
Sir

Knowing that you have been appointed recently Assessor of Herport I take the liberty to send you a few lines in regards to Christina B. Allen. property at Herport Point Hau. would like to call your attention to the amount that she is taxed on her property in the ^{year} of 1902. The amount is \$1125. The buildings are of old age and of old style; it seems to me as though the former Assessor has placed the valuation rather high on such class of property. Please see in your judgment if you cannot

readjust the valuation to its pro-
per amount in your judgment,
would be pleased to hear from
you at any time on this matter

Yours Respect;
Christina B. Allen.
