An executor, administrator or trustee after three years from the date of his appointment, or a tenant of real estate paying rent and under obligation to pay more than a money of the tax, or a person who has been assessed by the assessors a reasonable sum for the duty or unless such tax exceeds by more than fifty per cent the amount which he has paid, or the amount which he is liable to pay, may, within six months after the date of his tax bill, apply to the assessors for an abatement thereof; and if he fails to do so, he shall, unless he has brought in to the assessors the list of his estate as required by section forty-one. If the applicant was not required by said notice to include his real estate in said list, and has not so included it, he shall, if he seeks an abatement of the tax on his real estate, file with his application a list, verified as provided in section forty-one, of his real estate, with an estimate of the fair cash value of each parcel.

The foregoing schedule comprises all of the ["Real Estate" if required by the assessors to be returned, "and"] personal property of every kind and description either within or without the Commonwealth owned or held by me on the first day of April of the current year subject to taxation by the assessors of the _____, under the laws of the Commonwealth of Massachusetts according to the instructions heretofore given; and the several items thereof have been computed in the lawful money of the United States, and all the statements in connection therewith are full, true and correct according to my best knowledge and belief.
