

GROUP 5

1861 -1926 Tax Collector Records

A Certified Copy of

of Aggregates is to be returned to the Tax Commissioner on or before October 1, 1913.

VALUATION LIST

FOR THE

Town of *Westport*

1913.

ACTS OF 1909, CHAPTER 490, PART I.
ASSESSMENT OF TAXES.

[EXTRACT.]

SECTION 55. The assessors shall make, upon the books furnished under the provisions of section fifty-seven, a list of the valuation and the assessment thereon, in the following manner:— In separate columns the valuation of the stock in trade of each person, the number and value of his live stock and the valuation of machinery used in manufacturing establishments. In another column marked "All other ratable estate" the aggregate valuation of all the other personal estate shall be entered. The total amount of the taxable personal property shall be shown, but without other detail or specification than is provided herein. Before the taxes are committed for collection they shall deposit the books, or an attested copy thereof, in their office or, if there is no office, with their chairman, for public inspection.

SECTION 56. The list shall exhibit the valuation and assessment of the polls and estates of the inhabitants assessed; and the valuation and assessment of the estates of non-resident owners, and shall contain the names of the non-resident owners of the property assessed, or such description of them as can be given, their places of abode, if known, the description of their estate, the true value of such estate, and the tax thereon.

SECTION 57. The tax commissioner of the commonwealth shall provide each city and town, on or before the first day of April annually, suitable books for the use of the assessors in the assessment of taxes, which shall contain blank columns, with uniform headings for a valuation list, and blank tables for aggregates, in the following form:— provided, however, that in lieu of the valuation list provided for in this section and the preceding two sections the assessors of any city may, with the assent of the tax commissioner, prepare a valuation list upon books furnished by the city and in such form as the tax commissioner shall approve.

VALUATION LIST FOR THE														OF										APRIL 1, 19																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																										
NAMES AND RESIDENCES OF PERSONS ASSESSED. (Give street and number of residence.)														Number of taxable polls.		Total cash tax on polls.		Value of each person's whole stock in trade.		Value of machinery used in manufacturing establishments.		Number of live stock, each kind specified separately.		Value of each kind of live stock.		Value of all other ratable personal estate in one item.		Aggregate of each person's ratable personal estate.		Total tax on personal estate.		Buildings of all kinds, described by naming their uses.		Value of buildings, exclusive of land.		Description, by name or otherwise, of all land owned by each person.		Number of acres or feet in each lot of land.		Value of same.		Total value of each parcel of real estate.		Aggregate value of real estate.		Total tax on real estate.		Total cash tax on polls, personal and real estate.																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																		
														Acres.		Feet.																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																		

SECTION 58. The assessors shall enter in the books so furnished the valuation and assessment of the polls and estates of the inhabitants assessed, as directed in the headings of the various columns and as follows:—

Stock in trade shall include all goods, wares and merchandise at home or abroad, of ratable estate, whether paid for or otherwise. Machinery shall include steam engines.

In cotton and linen factories state number of spindles and looms used in each.

In woollen factories state number of sets of cards used in each.

State the value of each building described including therein water-wheels, but excluding land and water power and machinery used in the building.

In description of lots of land state the number of quartz-sand beds, stone quarries and ore beds therein.

SECTION 59. The assessors shall fill up the table of aggregates by an enumeration of the necessary items included in the lists of valuation and assessments required by law, and shall annually, on or before the first day of October, deposit in the office of the tax commissioner an attested copy of the same, containing,—First. The number of residents assessed on property, specifying the number of individuals and the number of firms, corporations, associations, institutions, trustees, and so forth. Second. The number of non-residents assessed on property, specifying the number of individuals and the number of firms, corporations, associations, institutions, trustees, and so forth. Third. The whole number of persons assessed, specifying the number assessed for a tax on property and the number assessed for a poll tax only. Fourth. The number of polls assessed. Fifth. The tax on each poll. Sixth. The value of personal estate assessed, specifying the value of the same excluding resident bank stock, and the value of resident bank stock. Seventh. The value of real estate assessed, specifying the value of buildings exclusive of land and land exclusive of buildings. Eighth. The total valuation of assessed estate in the city or town. Ninth. The tax for state, county and city or town purposes, including overlayings, specifying the amount assessed on personal estate, on real estate and on polls. Tenth. The rate of total tax per one thousand dollars. Eleventh. The number of horses assessed. Twelfth. The number of cows assessed. Thirteenth. The number of sheep assessed. Fourteenth. The number of neat cattle, other than cows, assessed. Fifteenth. The number of swine assessed. Sixteenth. The number of dwelling houses assessed. Seventeenth. The number of acres of land assessed. Eighteenth. The number and value of fowl assessed.

The city of Boston may deposit said copy in the office of the tax commissioner annually on or before the first day of November.

SECTION 60. The assessors of cities and towns, except the city of Boston, shall, on or before the first day of October in the year nineteen hundred and four and in every third year thereafter, deposit in the office of the tax commissioner, in books to be by him provided for the purpose, a copy of the assessors' valuation-books of those years, to be by them certified under oath. Said assessors shall also annually, on or before the first day of October, and the assessors of the city of Boston, on or before the first day of November, in like manner deposit an attested copy of the table of aggregates required by the provisions of the preceding section.

SECTION 61. If the board of assessors of any city or town neglect to comply with the provisions of any of the three preceding sections, each assessor so neglecting shall forfeit not more than two hundred dollars.

SECTION 62. The books provided by the tax commissioner for the use of the assessors shall contain a copy of this and of the seven preceding sections, and such certificates as are required by law to be signed by the assessors, with such explanatory notes as he considers necessary to secure uniformity of returns under the several headings. He shall annually compile and cause to be printed for the use of the general court the aggregate returns from the cities and towns arranged by counties, so as to exhibit the total valuation of the towns, cities, counties, and the commonwealth.

SECTION 94. If the assessors of a city or town ascertain that the aggregate valuation of such city or town has been diminished since the first day of April of the preceding year, they shall return with the table of aggregates, or with the books, which they are required by sections fifty-nine and sixty to deposit in the office of the tax commissioner, a statement in writing, under oath, of the causes which in their opinion have produced such diminution. If the assessors neglect to comply with the requirements of this section, each assessor so neglecting shall forfeit not more than two hundred dollars.
