PAUL CUFFE PAPERS

SERIES F

FOLDER 3

Cozen William Cessell

my advise is to thee that thou make  
 Choise of every lot which thou hath  
 sold and disposed of and no other and if  
 there be any other that thou hath not  
 disposed of thee may see at thee please  
 from thy friend and kinsman

John Cessell

Westport 1 mo 6 or 1827

at the same time tell thy relation that thou  
 hath made no cast in nor petitioned for any  
 and am determined not to pay any deal  
 plainly talk with those whom thou hath sold this  
 land to and ask their advice whether they would wish thee to  
 act or not well then why did thee suffer thy name to  
 stand there without thy putting of it there or order

To Peter Howard of New Bedford

I intreat thee in Love in gospel Love in the  
 bowels of mercy to Repent and amend thy ways  
 and never to serve no poor soul as thou hath  
 me in coming into my in clojure and then  
 to sit up Images or morniments with out my  
 consent or Liberty pray, Look at it and see how  
 it Looks & what would thee think or say and if  
 any man should come into thy Inclosure and  
 then to raise up stones or other Images contrary  
 to thy mind with out Liberty -

I intreat thee, ~~that thou~~ <sup>the</sup> ~~not~~ <sup>in</sup> ~~gospel~~ <sup>Love</sup> ~~in the~~

Therefore to come or to send Immediately and  
 take away thy stones with out further Request  
 with out breaking the ground any further  
 for in my Inclosure they cannot stand they  
 are from me a well wisher to thy soul

p s thee cannot see any thing in this  
 order to promote the happiness of the dead in  
 nor raise their honor - as for Paul & Jesse not  
 seeing thee well and if thee had used Paul & Jesse  
 but one eighth part as <sup>well as</sup> Paul & Jesse both done thee  
 thou might have traveled with J & Jesse for what  
 I know It Paul says he would not eat meat  
 that was offensive to his Brethrens he sayth also  
 that if he had power to remove mountains and gave  
 his goods to the poor & his Body to be burned and had  
 not charity he was like sounding Brass or a tinkling  
 Timbale - Let this suffice for the present J: C  
 dated at Newport the 17<sup>th</sup> of the 7<sup>th</sup> month ad 1811

What think ye of chryst wonds when he  
looked and saw the witch casting into the  
treasure he saw also a poor woman left in  
that two mites which he says was more than  
they all - what think ye of poor men  
that went and borrowed small articles of my  
friend then should make my boast and say  
I ask favour of none and I will take counsel  
of no man
