

*Westport  
Summer Farmers' Market  
June thru September 2018*

*The Town of Westport's Economic Development Task Force is sponsoring the Westport Summer Farmers' Market this year.*

- **When – June thru September 2018.** The Summer Farmers' Market will take place on 16 Saturday mornings from 9:00 am to 1:00 pm – June 16, 2018 thru September 29, 2018.
- **Where – Westport Town Annex.** We plan to again use the south parking lot of the Town Annex at 856 Main Road, Central Village. The market will be held rain or shine, except in extreme inclement weather. Like last year, we will have access to the bathrooms off the basketball court in the Annex.
- **Annex – great location.** The Annex is located in the central business district of Westport, near banks, a large market, a busy gas station, and many other businesses. It is Town-owned, has plenty of parking, and offers easy customer & vendor logistics.
- **Volunteers – needed.** If you would like to volunteer to help at the Market, please contact Maury May – Vice-Chair, EDTF - (508) 636-9934 – mauricedwardmay@gmail.com
