Welcome to the newest, high quality residential community in the beautiful town of Westport, MA. Nestled in a tranquil, wooded setting by the Noquochoke River and the Forge Pond Conservation Area, Noquochoke Village is a brand new affordable multifamily residential community providing hard to find one, two and three bedroom rental flats and townhouses. Enjoy the unique and timeless charm of Noquochoke Village with a design consistent with the historic, pastoral character of Westport. The community enjoys a design that employs the traditional and local vernacular of the connected farm buildings that cover the South Coast region. This thoughtful design creates interesting and unique building facades that make for an attractive community that perfectly balances a sense of community with a sense of privacy for individual units. Our tranquil location provides quick access to the countless shopping, dining and services found on Route 6 and 177. Let Noquochoke Village provide the setting for your South Coast lifestyle.
