INFRASTRUCTURE
OVERSIGHT
COMMITTEE**

TUESDAY

APRIL 30, 2024

6:30 PM

**VIRTUAL MEETING
OF THE WESTPORT
FINANCE COMMITTEE**

Posted by
Maurice E. May, Clerk

AGENDA

Open the IOC Meeting inside the Finance Committee Meeting

Presentation – Before the Westport Finance Committee.

The Infrastructure Oversight Committee (IOC) plans to present our revised Articles 14 & 15 of the 2024 Town Meeting Warrant. There is no change to Article 16.

The primary focus of our presentation will be on Article 14, which proposes debt exclusion funding for our Route 6 sewer & water project. At its meeting of April 17, 2024, the IOC voted to reduce our funding request to Annual Town Meeting from \$35 million to about \$8 million to fund just Contract 1 of the project rather than funding all three Route 6 contracts at once. Contract 1 would build a sewer-only project that runs from the Fall River line to the Meatworks facility at 287/291 State Street.
