AGENDA

Organizational business:

- Approval of minutes – meeting of May 10, 2023. (All)
- Membership reminder – send requests to BOS for FY24 appointment. (All)
- Upcoming meetings – dates & issues. (All)

6:35 pm - Presentation by Tanja Ryden, Chair of Board of Health. Discussion of “Westport Local Septic Regulation”, effective October 15, 2022, with focus on cesspools.

Old business:

- **Update – planning & permitting.** Kleinfelder design work: status of permits & pump-stations. (Fernandes & Daylor)
- **Update – funding.** Fed earmark, MassWorks & SRF, as well as new effort exploring priority funding for PFAS treatment in documented problem areas of smaller communities. (Fernandes & Daylor)

New business:

- **Town override – IOC support.** We have a proposal to take a vote on our support of the upcoming override ballot question. (Daylor)
- **Title 5 Advisory Committee Meeting – influence on our Route 6 project.** This Committee is recommending a 20-year Watershed Permit as path for CLF court win on de-nite septic systems. Does this time frame dove tail with our full W&S buildout? (May & All)
- **Forum – planning.** We want to hold a Water & Sewer Forum in North Westport for the public to get a better idea of what is being planned. Our Chair suggests holding it between Columbus Day & Veterans Day. (Ouellette)
- **Shorelines - article.** We thank Ted Hayes who wrote the article about our Route 6 project, as well as all those who participated. It will help spread the word and gain support. (All)
- **Additional – new business.** Anything not anticipated 48 hours in advance of the meeting. (All)

Public – input.
