

Call for volunteers!

The Town of Westport Planning Office is searching for volunteers who are interested in climate change planning and community engagement.

Volunteers will be paid \$40/hour through the MVP 2.0 grant, for a total potential of \$3,200 over the next year.

The position requires 1-2 hours per week and evening availability.

We are particularly interested in hearing from community members who have strong ties to youth, senior, agriculture, disability, and low income communities.

Contact the Westport Planning Office for more information at:
