The Vietnam Veterans' Memorial Wall forms a powerful tribute to the brave members of the U.S. Armed Forces killed or missing in action during the Vietnam War. One of the Wall's most defining characteristics lies in the ability for visitors to view their reflections superimposed on the engraved names, thus connecting the past and the present, unlike most other monuments. Moreover, visitors can create keep-sakes by tracing the names on the Wall. It is expected that visitors may wish to leave artifacts and mementos at our Wall.

The Fall River memorial site will be free to the public and open during the Veterans Memorial Bicentennial Park's hours-down to dusk.

THE VIETNAM VETERANS' MEMORIAL WALL PROJECT

THE WALL THAT HEALS

What is the Vietnam
Veterans' Memorial
Wall project...
and where will
it be built?

The Vietnam Veterans' Memorial
Wall in Fall River will help express
respect for our fallen heroes and
will help ensure that their ultimate
sacrifices will never be forgotten.

A chief purpose of the Vietnam Memorial Wall will be to address our collective need to recognize and honor all those who made the heroic and ultimate sacrifice in Vietnam. It is indeed an honor and privilege for our regional Vietnam Veterans to erect a replica of the Vietnam Memorial Wall in Fall River, MA. It has been established with proprietary rights, granted by the National Wall Organization, encompassing all of Massachusetts, as well as all areas within a 50 mile radius of Fall River, MA.

Supported by Mayor Jasiel F. Correia II, OUR WALL will be located at Veterans' Memorial Bicentennial Park, located at 1082 Davol Street. It will be an 80% scale size replica of the original Vietnam Veterans' Memorial Wall located in Washington D.C. All names on the wall are listed in chronological order, according to the date of each casualty; within each date the names will appear in alphabetical order.

At the initial dedication of the Vietnam Memorial Wall in Washington D.C. there were 57,939 names memorialized on the wall. As of Memorial Day, 2017, there are now 58,318 names memorialized on the wall. Additional names will be added as more information is obtained.
