MASSACHUSETTS SOLDIERS' HOME IN HOLYOKE

CARE WITH HONOR & DIGNITY

Serving Veterans of the
Commonwealth since 1952

The Soldiers' Home in Holyoke is a monument to the service and sacrifice of the Veterans from our state who have preserved our freedom.

Since 1952, the Home has provided "Care With Honor and Dignity" to eligible Veterans from the Greatest Generation to the Latest Generation.

We believe that the Veteran experience at the Soldiers' Home is without equal. Compassionate staff, a safe and well maintained facility, great meals, and wonderful recreational activities have earned us a reputation as "best in class" among Veteran homes across our nation.

Veterans in the community are also served through our outpatient clinic, specialty care, and laboratory. Combined with a dental clinic that serves both our residents and Veterans from the community, as well as our Veteran Assistance Center to help Veterans with benefit applications, and you can see why the Soldiers' Home is superior in the range of services offered.

It is an honor and privilege for me to serve as the superintendent. I invite you to visit our facility. If you are a Veteran, enroll in our health care program, and receive the benefits you have earned. For our citizens in the community, stop by and visit or become a volunteer. I believe you will be inspired by the experience.

Sincerely,
Paul Barabani
Superintendent
