

REQUIREMENTS FOR DEMOLITION PERMIT

- Completed application permit obtained from the Westport Building Inspectors office
 - Must be completed in full/detail stating exactly what is being done and what is being demolished.
 - Permit must include a Total Project cost indicated on Page 3 and also signed on Page 3
- Asbestos Report
- Pest Control Inspection
- Liability Insurance Certificate
- Workman's Compensation Certificate
- If the building has Electricity, you must hire a licensed electrician to shut off the electricity or if this is done by the Power Company, then you must provide a signed letter from the Power Company stating that the power has been shut off
- If there is water in the building, then you must hire a licensed plumber to cut off the Septic.
- If there is gas in the building, then you must hire a licensed plumber to shut off the gas.

Upon receipt of all the above items by the Building Inspector's office, a Demo permit will be issued once reviewed. The Building Inspector will call the applicant when the permit is ready and state the cost. The permit must be paid for when picked up by with either Cash or Check, we do not take Credit Cards.
