

PUBLIC DISCLOSURE FISCAL 2019

Dear Property Owner:

The Massachusetts Department of Revenue must certify a community's values as representing full and fair value. The Town of Westport's values will be reviewed and certified by the Commonwealth for Fiscal 2019. The Town underwent a full exterior review by an outside contractor for the first time in over 15 years and many changes have been made.

Your proposed value of your property for Fiscal 2019 can be viewed on line by going to [www.westport-ma.com](http://www.westport-ma.com).

If you feel the above value does not represent the market value for Fiscal 2019 or the record card data is incorrect, please contact the Assessors office by mail at the above address or by phone. 508-636-1012, by April 19, 2019. It will be helpful to concisely explain your response and have examples or evidence to support your claim.
