

TENNIS LESSONS

Westport Recreation & Diane B. Snyder Tennis Complex Partnership

The time has arrived for the construction phase of the new Westport Jr./Sr. High School building project to begin. The overall building plan requires the Diane B. Snyder Tennis Complex (DBSTC) courts to be relocated from their current spot. With this, the courts will be closed during construction starting September 2, 2019. The new tennis courts are scheduled to be completed early spring 2021. The Westport Recreation Department and DBSTC have partnered together to plan tennis programs during this court venue hiatus. We are excited to work together to continue offering quality tennis lessons and clinics to the Westport community!
